---

Colleen (Lexie) –
I have permission from this thesis author to upload his CD to the repository – Can you pull it and upload it?
If the CD is dysfunctional, we can put the print copy in the rotation for scanning, just let me know.
Thanks – Dennis t.

Hi Dennis,

I'm writing to allow you to place my thesis in the digital repository. I have reviewed the relevant documents.

Thomas Wiles MS 2007
