No. 3333: September 1, 1933

## WORDS FOR THE SPELLING

and

## PLAIN WRITING CONTEST

of the

### Interscholastic League Bureau

Division of Extension

PUBLISHED BY THE UNIVERSITY FOUR TIMES A MONTH, AND ENTERED AS  
SECOND-CLASS MATTER AT THE POSTOFFICE AT AUSTIN, TEXAS,  
UNDER THE ACT OF AUGUST 24, 1912

## FOREWORD

---

Very few of the words used in last year's lists are included in the lists in this bulletin. A radical change was made in spelling rules two years ago which have greatly improved the competition. It will be noted that in this year's rules, the third grade is dropped from the competition as it is deemed unwise to place the third grade in competition with the fourth and fifth in this competition.

Pupils are required to spell only the words in Roman type; words and phrases in italics are explanatory and chiefly for the purpose of helping the pronouncer distinguish between words having the same or similar sound. The italic "*n.*" after a word means "noun," "*v.*" means "verb"; "*pl.*" means "plural"; and "*sing.*" means "singular"; and "*p.*" "past."

The State Adopted text in spelling is used as a basis for a part of the contest at the county meet. Words given in the present lists are supplementary, practically none of them occurring in the State Adopted text. Teachers are advised to secure an adequate supply of League spelling lists early in the school year. During the months of December, January, and February, the demand for bulletins made upon the League Office is so great that our limited mailing force is unable to handle orders promptly. It is therefore the part of wisdom to secure your supplies early in the school-year.

Attention of teachers is called to many valuable suggestions for teaching spelling contained in the introductory pages of the State Adopted text.
