Miss A. E. Kober,

1050, East 43rd Street,

Brooklyn 10

N. Y.

21st May 1917.

Thank you for your letter and four
English enclosures, which I am to use
according to Mrs M. Clarke's instructions.

I am looking forward so much
to seeing Oxford again, as well as
my beloved Somerset, Devon & Cornwall.

These last few days at school
are quite hectic - and exciting, with
all the graduation festivities.

My kind regards - Dorothy Baker.
