## Panel Profile: Sex Work

Is sex work a feminist issue? Is it an empowering form of sexual expression? The workshop and discussion on sex work seeks to delve into an often misunderstood aspect of society from a sex-positive position. The workshop will introduce elements of sex work ranging from erotic dancing, pornography and prostitution. Topics such as the different types of sex work, the difficulties embedded in the industry and the resources available for workers and advocates will be discussed. Come engage in the discussion on sex work on April 2 - an issue that has been poorly understood and left feminists divided!
