Announcement: core and affiliate American Studies faculty explore relevance of 'Gone With The Wind'

by Carrie

Andersen

AMS :: ATX is a blog dedicated to representing the many activities and interests of the department of American Studies at The University of Texas at Austin. Together with the department's Twitter feed, this blog exists to serve the AMS and Austin communities by acting as a hub for up-to-date information on events and opportunities at UT and beyond.

Mark your calendars, everyone: on Wednesday, October 1 at 4:00pm, professors **Daina Ramey Berry, Jacqueline Jones, Randolph Lewis, Thomas Schatz, and Coleman Hutchison** will be participating in a panel discussion exploring *Gone With The Wind's* contemporary relevance, 75 years after its premiere in Atlanta.

Dr. Lewis is a member of our core faculty, while Jones, Schatz, and Hutchison are American Studies faculty affiliates.

The panel, held at the Harry Ransom Center, is a part of a series of events this semester occurring alongside the center's impressive and comprehensive *Gone With The Wind* exhibit, open until January 4, 2015.

For more information, see the event announcement [here](#).
