Our artist has tried to give you an idea of the 1929-30 Pi Beta Phi rules. The girls, after a lengthy conference with the Co-ed Faculty Cooperation Society (which boasts among its members no less personages than Mary Louise Sparks, Ruby Terrell, Frances Goldbrick, Arno Nowotny, John Aston Perkins, Tad Adoue, Cecil Carlisle, Simon Lumpkin, Grace Trichel, Norma Hill, Bess Elkins, Coach Fred Walker, and Chief of Police Thorp), rushed home and while in a hissy as to the proper procedure passed temperance, Blue and several more anti-good time measures. After three months of dateless nights and listening to Doc Anderson talk, the measures were repealed, and the "Naughty Ninety-one" have again hit their stride.
