No. 1834: June 15, 1918

WORDS FOR THE SPELLING MATCHES OF THE
UNIVERSITY INTERSCHOLASTIC LEAGUE

Published by the University six times a month and entered as
second-class matter at the postoffice at
AUSTIN, TEXAS

PREFATORY NOTE

The lists that follow represent an attempt to use in the spelling contests this year vocational words, roughly classified as indicated below. The lists were compiled by Mr. E. E. Davis from larger lists submitted by teachers and others from various parts of the state. I take this occasion specially to thank all those who kindly responded to requests for word-lists. Six copies of this bulletin will be furnished free to each school joining the Interscholastic League; extra copies, two cents each, or twenty cents per dozen.

In order to make our spelling matches of the widest service, it is urged that these lists be used for regular spelling lessons. Let *all* the pupils in a school participate in the elimination contests for securing the school's representatives in the county contest. (For detailed rules, see the League Constitution and Rules.) Make this occasion a public contest and invite all the people in the community to attend. The final declamation and debating contests might be held at the same time, or better still, at other community meetings at the schoolhouse. Include in each program two or three patriotic songs. A bulletin containing a dozen "war songs" will be sent free upon application.

E. D. SHURTER,
State Chairman.
