Dr. H. B. Stenzel
Bureau of Economic Geology
Austin, Texas

Dear Dr. Stenzel:

Please accept my hearty thanks for the separates of your papers, entitled: "The Yegua Problem", "Middle Eocene and Oligocene Decapod Crustaceans from Texas, Louisiana, and Mississippi", "Decapod Crustaceans from the Middle Eocene of Texas", and "Structural Study of a Phacolith". I am glad to have these papers for my library, and I hope that you will continue to remember me with reprints of your contributions.

With best wishes for your continued good work, I remain

Very truly yours,

Claude C. Albritton, Jr.
Claude C. Albritton, Jr.
Assistant Professor of
Geology
