

Bruxelles, le 9 mars 1950

Prof. H.B.STENZEL
Bureau of Economic Geology
University Station Box B
Austin 12
The University of Texas.
U.S.A.

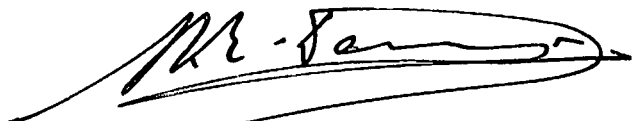

Dear Prof. Stenzel,

Thank you for your letter of February 17, 1950. You will receive samples of the tuffeau de Ciply. But it is very difficult to obtain the calcaire of Mons.

I will do for the best.

I hope to receive samples of your Texas Tertiary cone-in-cone when you will be able to collect them.

Sincerely yours

M.-E. DENAEYER
