Dear Brooks:

In response to your letter of January 30, 1961, I am sorry to have to decline writing the obituary of Helen Jeanne Plummer. She was so reticent about her own private affairs that I never learned much about them. I believe Ray Moore would know much more than I. Mrs. W. E. Adkins is going to write one of the obituaries, so she will have sufficient data. She may not be averse to write another one for you.

Sincerely yours,

H. B. STENZEL
Geologist
