

DAN E. FERAY  
2110 LONG AVENUE  
BEAUMONT, TEXAS

January 10, 1948

Dear Dr. Stenzel,

Enclosed is a circular that I have mailed to various universities in the hope of being able to obtain money to defray some of the costs of my geological wanderings during the past few months. Thanks again for your assistance in directing me to various localities.

Best regards,

A handwritten signature in cursive script, appearing to read "Dan", is written below the typed text "Best regards,".
