

April 27

Hello Dr. Stenzel,

Just a short note to let you know that I'm doing alright and to say hello to you.

I've been real lucky so far. I'm on a small retainer with an independent oil company and I've been lucky enough to sit some well sitting - so things are much better than the last time I wrote to you. I have to keep busy or I get to feeling depressed.

I heard from a friend of Yetta's that she had to go home because you were ill. I hope this is not so and that you are well. I hope to be in Houston sometime in July and I'll call to see if you are free and can see me.

again hope all is well with
you. I'm glad to hear from you
any time you have time to
drop me a note.

Best regards
Ralph Pearson
