

May 22, 1943

Dr. Stenzel -

These are some of the fossils which I mentioned in my recent letter to you.

I would appreciate hearing your opinion on the age of the beds from which these specimens came.

W. E. Humphrey
The Texas Company
Box 546
Pearsall, Texas.

Locality & age -

Eocene, Cook Mt?

1/2 mile N.W. of Ranch House on Mrs. Phillips Ranch, South central Frio County, Texas.

(About 3 1/2 miles N.E. of old Cory Ranch on Leona River [See old Frio Co. Topog. Sheet - Army Engineer's])
