Admissions Office  
International House  
Berkeley 4, California

Gentlemen:

Mr. Elvin Hurlbut, who is now a student at the University of California, has applied with you for non-resident membership in the International House. Mr. Hurlbut was my assistant in the early war years and during the summer of 1946. I have had ample opportunity to judge his character and ability. He is thoroughly reliable and has a pleasing personality. You would aid his development by admission. I am fully convinced that he will be a credit to your institution and recommend him warmly.

Very truly yours,

H. B. Stenzel
