

UNION PRODUCING COMPANY

Nov. 5, 1945

Dear Doc:-

Enclosed is local clipping.

May I congratulate the Bureau on its belief.

I am off tonight for L.A. Have not succeeded in getting room, but Driver will put me up if necessary. An imposition however, for four days. Maybe I can spend a night or two at Claremont or (and) Pasadena.

I expect to be in Napa c/o Ralph Tower, 21 Migliavacca Bldg. the 12th and will visit Berkeley after that.

Bill Milton was buried this morning. Apparently drowned himself in Bray's Bayou. He had been discontented for some time. Perhaps "Caesar was ambitious." Let this be a lesson to you.

Take good care of Texas for me, Doc.

Regards,

Merle

P. S. Unfortunately I missed Lillard's accolades.
