Mr. Clif Jordan
Geology Department
Rice University
Houston, Texas 77001

Dear Clif:

Thank you very much for sending me my koda-
chromes, lauteon slides, and lecture notes so
promptly. Such prompt help is always appreciated.
I hope your studies are progressing nicely.

We have just yesterday returned from an ex-
tended strenuous field trip to Mississippi and
Alabama. It is good to collect large lepidocyclinas in a Tertiary chalk.

Best wishes and thanks,

H. B. Stenzel
Visiting Professor
Geology
