Dear Frein:

I would be pleased to receive in exchange, marine or land shells from your country, and I am glad to let you know, that I have taken your address from the "Directory of Conchologist".

If you accept my offer, I will send you immediately, a box containing beautiful *Zidona angulata* Swanson, which are very much appreciated in the collections, as well as very nice shells from my country.

On having them, you will be able to make good changes with your friends, meanwhile you will make me happy, sending me what you think convenient, I have nothing at all from your country.

Hoping to hear from you soon, and thanking you for your attention.

Sincerely yours,
