Dear Doctor Ladd:

Please find enclosed the final manuscripts of the two Annotated Bibliographies. I have gone to a great deal of trouble locating obscure publications that gave data on the geographic distribution of Hautillus. Nevertheless, that part is not exhaustively done; it would take a better library than we have here to do a more nearly complete job.

With a sigh of relief I am sending you both manuscripts.

Sincerely yours,

H. B. STENZEL
Professor of Geology
