AT HARVARD COLLEGE
CAMBRIDGE 38, MASSACHUSETTS

DIRECTOR'S ROOM

September 24, 1946

Dr. H. B. Stenzel
Bureau of Economic Geology
University of Texas
Austin 12, Texas

Dear Dr. Stenzel:

Your telegram arrived in the nick of time; I would have written to Cadwalader the next day. I am sorry that this prospective job has not opened for it looked as if it might be very much of advantage to yourself and the Atlantic tertiary faunas.

Sincerely yours,

Alfred C Lane
