

March 21, 1941

Mr. James A. Lewis  
Core Laboratories, Inc.  
Petroleum Engineering Service  
Santa Fe Building  
Dallas, Texas

Dear Mr. Lewis:

Your letter of March 17th has been received.  
I shall be glad to present a paper before the Dallas  
Geological Society on May 6, 1941. The paper's  
title will be "Surface Relationships of the Carrizo  
Sand."

Very truly yours,

H. B. Stenzel, Geologist
