Dr. H. B. Stenzel
Bureau of Economic Geology
Austin, Texas

Dear Dr. Stenzel,

Many thanks for your letter of May 23 included with the copy of King's tectonic map, on which you have made some useful notations. King expects to be in Washington early in June and I will turn over to him the map and your letter. He is glad to have suggestions that will improve his map.

Thanking you for the time and interest you have given to the project,

Sincerely yours,

A handwritten signature in cursive script, reading "Chester R. Longwell". The signature is written in dark ink and is positioned to the right of the typed name "Chester R. Longwell".
