

August 31, 1945

Dr. J. T. Lonsdale
Bureau of Economic Geology
University Station, Box B
Austin 12, Texas

Dear Sir:

I am herewith submitting application for position as full time assistant for Mr. H. C. Fountain. Mr. Fountain has had considerable experience in geological field work in Mesozoic and Cenozoic regions. He has done stratigraphic work in such regions in Texas and the southwestern states. He is fully qualified to assist me in the Gulf Coast Plain. Therefore I am recommending his appointment at an early date at the rate of \$175 per month. His field expenses should be paid by the Bureau.

Respectfully submitted,

H. B. Stenzel, Geologist
