

May 12, 1961

Professor Heinz A. Lowenstam
Department of Geological Sciences
California Institute of Technology
Pasadena 4, California

Dear Heinz:

The man who keeps Nautilus in an aquarium is:

Dr. Kotala
B.P. 15
Noumea, New Caledonia

So far, I have had no answer from Dr. Anna Bidder of
Cambridge University about her visit to the United States.

Best wishes.

Sincerely,

H. B. Stenzel
