Miss Eunice Thomas Minor, Executive Secretary
The New York Academy of Sciences
Central Park West at 79th Street
New York 24, New York

Dear Madam:

I am in receipt of your letter of December 29 concerning the increase in membership dues of the Academy. According to your letter and bill, my annual dues are ten dollars (\$10.00). It is my impression that this procedure is somewhat arbitrary. Also, the value received for this sum is not very large because I am living at a great distance from the activities of the Society and cannot participate in them. Unless the Academy can change its dues for associate members living at a distance, I shall be forced to withdraw.

Very truly yours,

H. B. Stenzel
Geologist
