Dear Henryk:

I do not know whether you plan to attend the S. E. P. M and A. A. P. G. meetings in St. Louis a week or so hence; I hope so. If not, can you get off to me air mail a status report on your unfinished oyster section for the Treatise? Norman and I will have a conference during the meetings there about completion of Part N.

If reply cannot reach me this week in Lawrence and if you will not be at the S. E. P. M. Meeting in St. Louis, please reply to me in care of the Sheraton-Jefferson, St. Louis.

With best wishes,

Sincerely,

Raymond C. Moore
