

Crockett, Texas
September 11, 1941.

Dear Dr. Stenzel:

A telegram has just been received informing me that I have received the appointment at Lubbock. I hope it will be possible for you to get over to Crockett so that we can see you again before we leave. Dot is going to Austin and I will probably drive her as far as Bryan Saturday as I want to see Curt. I will be back here Saturday evening. It will probably be the first of the week before I will be able to get away for Lubbock. Anyway I hope you will be able to get over to Crockett before I leave.

Most sincerely,

Grayson Meade
