Dear Mr. Martyn:

I want to thank you for accepting March 1st, as the date for your joint paper with Mr. Sample. The place is the auditorium in the Geology Building on the University of Texas campus; the time is 7:30 P. M. We will see to it that all arrangements are made for lanterns.

Should you or Mr. Sample come to Austin in the afternoon of that date, I wish you would drop by the Bureau of Economic Geology to see me.

With many thanks,

Sincerely yours,
