Dear Henryk:

If it is possible for you to attend, let us plan to meet for an informal discussion of progress on work on the "Treatise" at the time of the G.S.A. business meeting in Detroit.

I suggest that we meet at the main entrance to the hall in which the business meeting is held. After convening at this place we will immediately seek a quiet place for our work. Please let me know if you cannot attend the meeting, and I would appreciate then, a brief statement of your report of progress and an estimate of the time needed for the completion of your work.

Cordially yours,

Norman D. Newell
Curator, Fossil Invertebrates.
