Dr. John R. Ball  
Associate Professor of Geology and Paleontology  
Northwestern University  
Chicago, Illinois

Dear Dr. Ball:

I have heard that Behre has left your university for Columbia, and that possibly his position at your university is open. I would like to apply for that position; however, I do not know to whom to apply. I would appreciate it greatly if you were to be so kind as to give me any further information concerning it.

With best regards,

Sincerely yours,

H. B. Stenzel, Geologist
