Dear Dr. Stenzel:

Your letter with the check for \$5.00 for the Harris Conrad reprint, received. It will take several days for the work of copying to be done but the copy will be sent to you as soon as possible.

Thank you for sending us the list of casts of the type fossils contained in the Bureau of Economic Geology. They ought to be very useful to workers.

Yours sincerely,

126 Kelvin Place,
Ithaca, N.Y.
