

February 5, 1963

Dr. Oliver Paget
Naturhistorisches Museum
Zoologische Abteilung
Wien 1, Burgring 7

Dear Dr. Paget:

Thank you very much for your kind letter of January 31, 1963. It will be quite allright for Miss Berg to make those casts in 4 to 5 weeks. The date is really immaterial, just so they turn out perfect.

I suppose sending them by airmail will be more advisable.

Thanking you for your kind efforts,

Sincerely yours,

H. P. Stenzel
