Dr. H. B. Stenzel,
A. & M. College,
College Station, Texas

Dear Dr. Stenzel:

Prior to leaving on my vacation I took up the question of the Leon County map with Mr. Thompson and since that time he has been endeavoring to obtain one for you. It is expected that we will secure one within the next few days. I have requested him to forward a copy of this map to you if and when we receive it.

I presume that by this time you have finished up your work on our joint report. I plan to pass through Austin sometime within the next few days and will at this time drop in to see Dr. Sellards.

With best regards, I am,

Very truly yours,

B. Coleman Renick
