Dear Dr. Stenzel,

Thank you very much for your letter. I am sorry to hear you didn't receive my earlier package of reprints. The postal service here has deteriorated to such an extent recently that six packages have been lost in three months! Anyway I enclose a further set of the lost reprints and hope they are of interest.

I have passed on your address to Dr. H. M. Taylor concerning your getting the "Mercian Geologist" and you should hear from him in the near future.

Best wishes,

(Mr.) Adrian J. Rumble
