Dear Scotty :

Leo Hendricks spoke about a former student of yours by the name of O'Gara. I am in need of an industrious assistant to help me with the work in the Coastal Plain, and I have been thinking of finding out what O'Gara's qualifications are. Could you please write me about him and give me his address if you know it? Also if you know of anyone else I would appreciate knowing about him.

With best regards,

Sincerely yours,

H. B. Stenzel, Geologist
