

December 11, 1941

Mr. Fred P. Shayer
Union Producing Company
Box 711
Beeville, Texas

My dear Mr. Shayer :

I have been delayed in replying to your letter of December 5 due to absence from Austin. I am forwarding your inquiry to the Visual Instruction Bureau in the University's Extension Department and I am sure either Mrs. Moore, the director, or one of her assistants will give you the information about slides which you desire. Trusting this is satisfactory and with best wishes,

Very truly yours,

H. B. Stenzel, Geologist
