

July 20, 1939

Dr. L. F. Spath
British Museum of Natural History
Cromwell Road
London, S. W. 7
England

Dear Dr. Spath:

In response to your letter of July 11, which arrived this morning, I am sending you a list of our publications. Please check off on that list those publications which you would like to have. I will try to obtain them for you.

Very sincerely yours,

H. B. Stenzel, Geologist
