TO DR. H. B. STENZEL ✓
FROM F. T. CONNOLLY
SUBJECT GM 25 AND GM 31

Confirming my conversation with Mr. T. F. Hart, we are aware that GM 25 and GM 31 are not to be distributed to the current Fifth Clastic Seminar. However, when our printing schedule permits, we will reprint 100 copies of GM 31 (GM 25 has already been reprinted) so that adequate copies of both reports will be available on short notice.
