Dear Stenzel —

Something that I should do
if you have not already done
so is send a notice of Curt's
death to G.S.A., A.A.P.G. SEP etc.

also I wonder how lengthy an
obituary should be. I haven't
seen one for so long that I
have forgotten what all they
contain.

I am leaving Friday for Chapel
Hill N.C. I expect U.S. Navy Pre Flight
School will be sufficient address
