Dr. Stenzel:

I would feel highly honored if you would be one of my sponsors for transfer to active membership to AAPG. I obtained the blank form from Doc Bybee and he has already sent his form in. Then if you would hand the application with the remaining form to either Dr. Lonsdale or Dr. Bullard and tell him I would appreciate his cooperation - I would be further indebted to you.

The next semester is drawing near - wish I had a leave of absence to take your courses.

Will see you soon - and thank you!

Yours
Kent Waddell
