Mr. A. C. Wright  
Shell Oil Co., Inc.  
Tyler, Texas

Dear Mr. Wright:

I thought I let you know. These two students have been put on the Cushing quadrangle to map an area bounded by the east and south line of the quadrangle and the Angelina River to include Button Mountain. Thanks very much for your advice. This seems to be a very fine area.

With best regards,

Sincerely yours,

H. B. Stenzel
