August 23, 1944

Mr. H. B. Stenzel  
University of Texas  
Bureau of Economic Geology  
University Station, Box B  
Austin 12, Texas

Dear Mr. Stenzel:

This will acknowledge your letter of the 15th concerning the origin of the bell found near the old mission at Weches, Texas. I am glad to receive this information and am writing Mr. Cutler who is our forest patrolman and care-taker on the Mission State Forest, the results of your findings.

I would be glad to receive any further information you may have on relics found in this vicinity and the location of the original mission.

Wish to thank you for your courtesy and interest in this project.

Sincerely yours,

  
W. E. White, Director
