

July 31, 1963

Mrs. Anne Wilkey
Institute of Marine Science
The University of Texas
Port Aransas, Texas

Dear Mrs. Wilkey:

Thank you very much for your help and information, which enabled me to trace the galley proofs of Dr. Lagaaij's paper. The galley proofs were sent out from New York to Europe on July 18, 1963. So everything is probably in good shape.

With my best regards,

Sincerely yours,

H. B. Stenzel
