

April 14, 1947

Dr. Ernst Cloos
Department of Geology
The Johns Hopkins University
Baltimore 18, Maryland

Dear Ernst:

Thank you for your recent letter with its addresses. I am sending some packages.

I had heard that you had some heart trouble. Take care of yourself and don't be too impatient with it. A full recovery is rather important.

With best personal regards and wishing you a speedy recovery,

Sincerely yours,

H. B. STENZEL
Geologist
