FOREWORD

The 1961 CACTUS represents a year in the life of The University of Texas. The Staff has endeavored to present to you, the student, a collection of events and experiences which will be important memories in the years to come. The opening pages give the various impressions of the students on the "Forty Acres" concerning the University, the classes, the activities, the traditions, and the campus.

With this theme of University life go the recognized symbols of The University of Texas, the Tower and the Seal. These symbols present each section of the book to the reader, tying the parts and their contributions together into a complete picture of campus life.

THE UNIVERSITY

The student's first impression of The University of Texas is its size. It is, indeed, a city within a city, but the opportunities of college life develop from this mass confusion and the student is inspired to make his life at UT one to remember.

THE ACTIVITIES

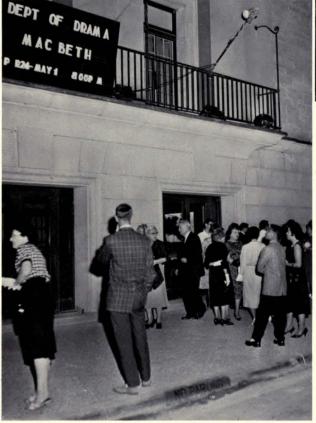

Aggie Bonfire

Campus Chest Auction

Drama Department Production

Informal Friday night dance at the Chuck Wagon

Exciting impressions of activities at UT are with the student throughout his life on the campus. These activities such as football, C. E. C. programs, elections, and Campus Chest provide a much needed break in the class routine. Study and work are set aside and the student takes precious moments to relax and enjoy himself.

THE CLASSES

The most meaningful impressions of the student are those concerned with academic endeavor. Thought-provoking and challenging lectures, stimulated interests and positive realization of new values and concepts make education assume its vital role as the reason for college efforts. The requirements are met and soon the student finds a true pride in his achievements.

THE TRADITIONS

Never-to-be-forgotten impressions are the traditions of UT. Throughout the year, the important events, Round-Up, Varsity Carnival, Swing Out, and Graduation take their place in the history of the University. Such occasions make the student aware of the ideals and goals he brought with him when he came to UT.

THE CAMPUS

The most lasting impressions of the student at UT are of the buildings and campus scenes. Changes occur continually, but the core of UT lies in the buildings which retain the character and dignity of the campus through the years.

INTERIORS

Almost without your being aware of it, impressions of the interiors of the campus buildings become a part of your existence as a student. From the serene quiet of the Rare Books Library to the bustling noise of the Student Union—there's a place for the student's every mood.

The University of Texas Development Board is the agency of The University of Texas responsible to the Chancellor and through him to the Board of Regents for all private fund development for the entire University System. The Board is composed of fifteen prominent citizens who voluntarily devote time and effort to the welfare of the University. Six are named by the Executive Council of the Ex-Students' Association, and eight by the Board of Regents, including one who is a member of the Board of Regents. The Chancellor of the University is an ex-officion member.

DADS' ASSOCIATION

The University of Texas Dads' Association is composed of all fathers of students, present or past, of The University of Texas. Provision is made for participating memberships through the payment of dues, however, and membership in this category each year exceeds 3,000. The Dads' Association sponsors Dad's Day each year during the Fall. It was observed on October 29, 1960. All parents of University students were honored at coffees, one for the dads in the newly expanded Texas Union and one for the mothers in the Humanities Research Center. Hundreds of parents visited the campus during the weekend.

In addition to sponsoring Dad's Day, the Dads' Association publishes the U. T. Dads' Digest, maintains the Dads' Association Scholarship Fund and makes several student awards. This year Mary Kay Miller and Maurice Olian won the Best All Around Girl and Best All Around Boy awards.

EX-STUDENTS' ASSOCIATION

JACK RUSSELL MAGUIRE Executive Secretary

JOHN B. HOLMES President

The Ex-Students' Association is only two years younger than The University of Texas itself, having been organized in 1885. Today it is the vehicle through which more than 190,000 former students continue their interest in, and service to, the University.

The Association does more than keep records on alumni, although that is one of its primary functions. It also sponsors more than 150 Texas Exes Clubs throughout the world; publishes a monthly magazine, The Alcalde; provides a number of services to members, such as the priority for the purchase of football tickets; and performs a number of functions in behalf of the University.

Through the years, the Ex-Students' Association has created more than a quarter of a million dollars in endowed funds which annually provide scholarships for many students. It also maintains sizable student loan funds.

The Association is not part of the University and its program in behalf of the institution is supported through the annual dues of its members. Its affairs are governed by a forty-two member Executive Council elected from throughout the state. A sixteen member paid staff is maintained at the new headquarters in the Home Economics Building.

ALPHA EPSILON DELTA is the national honorary pre-medical society which has as its aims the binding together of students with the same interests, the encouragement of scholastic excellence in pre-medical and predental work, the crystallization of any movement for the good of the student and the bridging of the gap between students and the medical and dental schools.

To be eligible, a student must have a personality suitable for medical work, must have maintained an average of 2.00 grade points in at least 45 hours of work, 15 of which must be taken at the University. The students must also possess those qualities which will make them outstanding physicians and dentists in the future.

ALPHA EPSILON DELTA was founded at the University of Alabama in 1926, and established at The University of Texas in 1929.

To encourage and reward scholarship and to foster high ideals in business, are the purposes of BETA GAMMA SIGMA, the national honorary scholastic business administration fraternity.

Members of the senior class whose scholarship is sufficiently high to rank them in the upper ten percent of their class are eligible for election, and in addition, juniors in the upper four percent of their class may be chosen in the last semester of their junior year.

The activities of BETA GAMMA SIGMA include recognition of students who graduate with honors, selecting the outstanding freshman and sophomore students for scholarship awards on the basis of grades.

Founded at the University of Wisconsin in 1907, BETA GAMMA SIGMA came to the University campus as the Alpha chapter in 1922.

The purposes of ETA KAPPA NU are to stimulate and reward high scholarship among electrical engineering students; to serve as an integrating and motivating force in electrical engineering departments of colleges; to serve the engineering division and college at large; to aid members after graduation; to foster closer co-operation and bring mutual benefits to students, teachers, and others in the profession; and to advance the profession by contributing services of lasting value.

ETA KAPPA NU elects its members from the male students of the junior and senior classes pursuing courses that lead to a bachelor's or equivalent degree in electrical engineering. Unimpeachable character and undoubted ability as evidenced by scholarship is required.

The Texas Chapter of ETA KAPPA NU was founded in 1928. The University of Illinois was the site of the national founding in 1904.

TAU BETA PI is the national honorary engineering society whose undergraduate members, representing all engineering branches in the College of Engineering, are selected from the upper twenty per cent of the senior class. The seniors are chosen from the scholastically eligible men on the basis of all around activities, and interests, exclusive of engineering. Activities include teaching a slide rule course for beginning students, and maintaining the TAU BETA PI bookshelf in the Engineering library.

The Texas Alpha chapter of TAU BETA PI was founded in 1916. Lehigh University was host to the original chapter, founded in 1885.

THETA SIGMA PHI aims to unite in bonds of fellowship University women who are now studying journalism, to confer honor upon women who distinguish themselves in their profession, and to accomplish definite achievements as a group in the field of letters.

Members are of junior standing and must have maintained at least a "B" average in journalism and a "B" average in other courses. Leadership, high character, and such desirable traits as would indicate success in journalism are other factors that are considered before a candidate may become a member.

The XI chapter was established in 1919 at the University. The University of Washington was the site of national founding in 1909.

ALPHA PHI OMEGA is a national service fraternity with membership open to ex-scouts registered in the University. To become members, the pledges of Alpha Phi Omega must pass through a period of pledgeship during which a certain measure of service must be rendered. The three phases of service rendered are service to the campus, to the community, and service to the nation as participating citizens. The guiding principles of the fraternity are Friendship, Leadership, and Service.

Alpha Rho Chapter of ALPHA PHI OMEGA was formed on the University campus in 1935. The initial chapter was formed on the Lafayette College campus, Easton, Pennsylvania, in 1925.

SCABBARD AND BLADE is the national honor society for outstanding cadets and midshipmen from the Army, Navy, and Air Force Reserve Officers Training Corps of junior or senior rank. Nominees are selected by the active members on the basis of their leadership, potential, academic standing, and interest in their respective programs.

The purpose of SCABBARD AND BLADE is to further the interest of the military service by promoting better understanding and co-operation between the armed services.

The National Society of SCABBARD AND BLADE was founded at the University of Wisconsin in 1904. The Texas Chapter, G Company, 8th Regiment, was founded in 1949.

Members are selected for COWBOYS on the basis of leadership, ability, campus accomplishments, and scholastic standing. To be eligible for membership a student must have completed at least his first year in the University.

The COWBOYS came into existence in 1922 when the need for a men's service organization, dedicated to an ideal

service on the campus, became apparent. It has since been one of the most coveted honors in the University.

MIKE FLYNN AWARD

John M. Crawford, Judge Olin Culberson

The Mike Flynn Citizenship Award is presented each year at Swing Out to the male student who most nearly "fills Mike Flynn's shoes." Selection is based on service and extracurricular activities.

This year Judge Olin Culberson presented the award to John M. Crawford. The Mike Flynn Award is sponsored by Interfraternity Council and Inter-Co-Operative Council.

John M. Crawford, JoAnn Pankratz

SILVER SPUR AWARD

The award for the Most Outstanding Senior Woman Student was presented at Swing Out to Carole Keeton McClellan by Bill Davidson.

Silver Spurs sponsors this award given for leadership, academic achievement, and service to the University.

MARJORIE DARELIK AWARD

The award for the Most Outstanding Independent Woman Student, the Marjorie Darelik Memorial Award, was presented this year to JoAnn Pankratz by John M. Crawford, president of Inter-Co-Operative Council.

This award, presented at Swing Out, is given for outstanding scholarship, service, and extracurricular activities.

The Outstanding Students were chosen by a committee composed of the Dean of Student Life, Assistant Dean of Men, Dean of Women, Daily Texan Editor, President of the Students' Association, Cactus Editor, and Cactus Associate Editor.

In choosing the twenty-six students named to the honor, the committees considered all aspects of student achievement. Grades and the individual's standing in his or her school and department were two of the important factors considered. The committee, however, felt that to be outstanding, the student must be judged on the basis of what he or she has done in the way of service and effort for The University of Texas.

The selection of Goodfellows was based on unselfish and continual service to The University of Texas. The name "Goodfellow" most accurately describes each of these people, for they are indeed Goodfellows.

Alpha Gamma Delta brews "joy juice" for rushees.

FALL RUSH BEGINS NEW SCHOOL YEAR

During the week before Freshman Orientation, Fall Rush is a whirl of parties with friendship and skits high-lighting the week's activities. Through this week life is one big handshake and one big hug with each house offering its best. Rush Week is climaxed on Sunday afternoon by the presentation of bids in the Union Ballroom and excited new pledges rush out to be welcomed by their sisters.

On the first day of formal rush, the boys receive name tags.

Phi Kappa Sigma entertains rushees with card games and jokes.

Actives anxiously await their new pledges!

Fountain parties seem to be the climax of Rush Week.

BOYS' RUSH MORE CASUAL

Fraternity Rush is very casual and stresses informal bull sessions and card games rather than organized entertainment. After this week of meeting fraternity men, the rushees go to Gregory Gym to receive their bids. The actives gather to greet their new pledges and reward them for their good judgement by a dunking in Littlefield Fountain.

REGISTRATION-FIRST FOOTBALL GAME SET TEMPO

Registration and the game with Tech, first of this season, introduced the scholastic and social sides of the University. Registration, so well organized and regimented at first, turns to mass confusion as students pass beyond their sectionizers. Distraught students, old and new, pleading for the classes they want and constantly haunted by closing sections, eventually win through to the stage where they stand in line to pay for the privilege of receiving a schedule. The excitement of a first college game represents the lighter side of college life. Freshmen can talk for the first time about their teams and their school; and afterwards, proudly say "We won!"

Mike Williamson shows Freshmen Judy Evetts and Nancy Monday their way.

Kay Ehlers goes through the drudgery of registration.

O.U. HIGHLIGHTS FALL ACTIVITIES

Traditionally the UT vs. OU game is second only to the UT vs. A&M game in importance. Certainly the week-end in Dallas is the high point of fall social life. Enthusiastic students from both schools besiege and conquer Dallas, singing and shouting in the downtown streets the night before the game. Saturday afternoon, the mighty Longhorns made it three in a row over Bud Wilkinson's Sooners, booming them by a score of 24-0. Other activities, such as Pledge Line which introduces the new sorority pledges to the males on campus, and the election of new Student Assemblymen, took up time and attention.

CELEBRITIES VISIT THE UNIVERSITY OF TEXAS

Top entertainment is offered throughout the year to UT students and to the people of Austin in general. Certainly the most noted visitor to Austin in the fall of 1960 was John Fitzgerald Kennedy, at the time campaigning hard for the office he now holds. From the entertainment field came comedians Bob Hope and Shelley Berman, glamorous Gloria de Haven, and the very popular Brothers Four.

Being election year, Bob Hope chooses the loveliest cabinet members to be found.

Before the SMU game, the Hospitality Committee greets the visiting team.

DADS' DAY

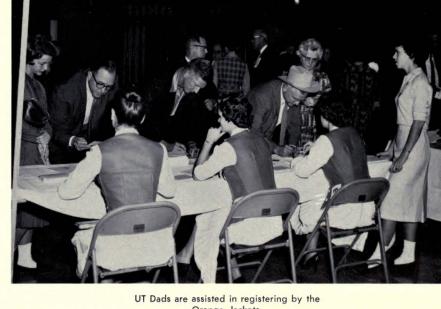

Dads' Day, October 29, featured the official opening of the new Student Union. Union committees and service organizations worked overtime to welcome the guests, who were busy with sight-seeing and picture taking. At the UT-SMU game that afternoon, the University's Home-coming Game, the Outstanding Boy and Girl of 1960, Maurice Olian and Mary Kay Miller, were presented.

Dr. G. B. Heath is pictured with Outstanding Boy and Girl, Maurice Olian and Mary Kay Miller.

Cutting the ribbon for the opening of the new Union is Mrs. Jean Casper, Dr. C. C. Colvert, and President Harry Ransom.

CAMPUS CHEST ANNUAL DRIVE

Pledge class auctions, shoe shines, car washes, Dimes Day, Chestcapades, and the Miss Campus Chest and Ugly Man contests were among the money raising projects which occupied students during the week of the Campus Chest Drive. Co-chairmen Beth Blazek and Butch Schechter, and the many others who participated, helped push this year's contributions far beyond the originally set goal.

 $^{\prime\prime}\text{We}$ made it, $^{\prime\prime}$ shouts co-chairman Beth Blazek and Butch Schechter upon reaching their goal.

SIGNS SPARK

During the week preceding the traditional Thanksgiving

Day game with A&M, signs sprang up around the University

campus with such legends as "Aig 'Em Giggles," in addition

to the more traditional mottoes.

"Most Comical" award went to Delta Sigma Phi's 'Bevo's Aggie Date Bureau.'

SING-SONG AND BLUEBONNET BOWL FORM PRELUDE TO HOLIDAY FESTIVITIES

Sing Song's spectacular costumes and beautiful voices were displayed in December at the University. The annual Greek event was won this year by Sig Ep, singing "Let Thy Holy Presence" and by Theta presenting "The Bells of Saint Mary's."

On December 13, Alabama's Crimson Tide held the Longhorns to a 3-3 tie at the Bluebonnet Bowl in Houston before a crowd of 68,000 fans. December 14, a minor upheaval in another phase of campus life—politics—was climaxed by the resignation of Student Body President Cameron Hightower from office, due to his courses having dropped below the minimum hours-per-semester requirement for student government officials.

Freshman honors were announced by the Freshman Council on December 16. John Cope, Steve Bercu, and Muff Singer were newly elected officers, and Jayne Alexander was selected Freshman Beauty. Irwin Spear was elected Favorite Professor. Fourteen outstanding freshmen, active on the Council and in other phases of campus life, were also honored at the Council's annual banquet. Two days later, Theta Sigma Phi, national women's journalism fraternity, announced the Ten Most Beautiful for 1960-61. The final "Ten Most" were chosen by Hollywood star Pat Boone from photographs of the twenty-five finalists.

HOLIDAY SPIRIT COVERS CAMPUS

Jay Kanter, Tau Delta Phi, plots a course home at the planning board in the Texas Union.

With the holiday spirit everywhere, social and traditional activities were at a winter high during the weeks before Christmas vacation. Trees, presents, cards, and decorations appeared around the campus; dorms and co-ops sported cheerful greetings in almost every window. The University Chorus presented its annual program on the Main Mall with Christmas stories and music. Many fraternities and sororities held their major social function of the year, and Alpha Chi Omega's "Toys for Tots" campaign brought in many Christmas presents for those Austin children who otherwise might have had an empty stocking.

A darker side of the holidays, the daily traffic safety warnings which appeared in the *Texan*, and the tentative final exam schedule which was printed a few days before Christmas brought a grim warning of books and midnight oil for '61.

At Zeta's annual Big Sis-Little Sis Christmas party, Mary Glen Maxwell gazes upon the presents.

EXAMS AND CHILEAN STUDENTS ARRIVE AT U. T.

Friday the 13th of January ominously ushered in Dead Week and then final examinations. Lights burned late and dust was brushed from neglected books. Grimacing students with bloodshot eyes sipped coffee constantly, or perhaps took time off to watch Texas battle A & M in one of the first basketball games of the season. Somehow, almost everyone managed to survive and began to look towards brighter days.

Chilean exchange students arrived for a month-long visit to U. T. and for reunions with friends they had met the previous summer in Chile. Warm welcoming parties, tours, and other entertainment, as well as a general view of campus life, were provided for them before their return home. This was the third year of exchange between Chilean and University students.

Other news-making events during January included two fires, one at the University Co-Op and the other at Blanton Dormitory. To the average student, various constructions and excavations around campus, and the detours they necessitated, were a major nuisance and even proved hazardous.

In the excitement of the Texas-A&M basketball game, worries over final exams are forgotten, for the time being anyway.

Becky Reynolds, Secretary of the Students' Association, receives a warm "abrazo" from Chilean Jose Jara on his arrival in Austin, as other Chilean participants, Ana Maria Gimenez and Professor Luis Capurro and Dolores Silva, International office administrative assistant, look on. Becky was a member of the Texas delegation to Chile in 1960.

AWARDS, ACTIVITIES SPARK WINTER

"Big Bertha," the world's largest drum, and her proud owner, the Longhorn Band, traveled to Washington to lead the Texas contingent in President Kennedy and Vice-President Johnson's inaugural parade January 20. Bertha and the band also made several "good will" stops across the country before and after the parade.

The All Sports Banquet in mid-January honored the University's outstanding athletes. Monte Lee carried off two of the six awards for football players, and David Kristynik, Drew Morris, and Jim Bob Moffett were also honored. James (Doc) Willerson, a member of the swimming team, won an award as the senior athlete with the highest grade average during his University career.

At the close of the month, the departure of mid-term graduates and the enrollment of new students removed many familiar faces from the campus and brought many new ones. A special face, new to many but not to all, was that of Spanish guitarist Carlos Montoya, who visited U. T. briefly during his stay in Austin. His performance at Hogg Auditorium not only pleased his fans but won him many new admirers.

Outstanding athletes Drew Morris and Jim Willerson on the front row and David Kristynik, Jim Bob Moffett and Monte Lee on the back row were presented awards at the twenty-sixth annual All Sports Banquet.

FEBRUARY BRINGS REGISTRATION

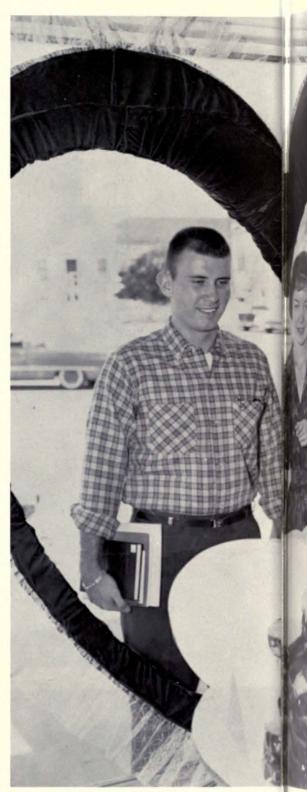

Gregory Gym was the scene of the first major event of February and also of the spring semester—registration, which extended from January 31 to February 3. The chaotic scene was familiar, if unwelcome to old students, and thoroughly confusing to new freshmen and transfers. During the same week, Lynn Ashby resigned his position as Ranger editor, giving as his reason "censorship" problems, and thereby reviving the controversial issue of student responsibility versus faculty supervision.

Tryouts were held for Round-Up Revue and a final cast selected. The next week, Valentine's Day brought many memories and the cold rainy air seemed warm with visits, cards, and best wishes exchanged. February 23, was the deadline for filing for the spring student elections and thus was a prelude to a good deal more excitement and activity.

"Howie," a comedy about a brilliant boy who did not want to conform to social standards, was presented by the Drama Department. Besides 'Howie,' February was highlighted by several visiting celebrities. Academy Award winner Eva Marie Saint came to Austin early in the month for the Headliner's Club Award banquet and was honored at a reception held by her sorority sisters at the Delta Gamma house. Also, Dave Brubeck appeared at Municipal Auditorium and before his concert gave autograph hounds a heyday when he appeared at the University Co-op.

The Army ROTC fires upon the Kappa Sigma "garrison" during the annual Texas Independence Day celebration.

SPRING BRINGS INDEPENDENCE CELEBRATION AND ELECTIONS

In keeping with a tradition begun three years ago, the Kappa Sigs and Army ROTC battled for Independence in front of students, faculty members, and visitors. The Kappa Sigs fired a volley from two cannons and a motley collection of rifles, shotguns, and pistols after each speech. When the Army (Texas) artillery fired cannon salutes the Kappa Sigs (Mexicans) blasted back and occasionally dropped a dummy over the balcony of their "garrison." Ceremonies ended with a 14 gun salute from Army ROTC cannons but the Kappa Sigs continued to fire back for a few minutes. They finally capitulated by waving a pillow case from their stronghold.

Posters, speeches, and promises highlighted the Spring student government election. Hundreds of students watched the election results being posted on the vast election board until the wee hours of the morning. In the run-off, Jim Dannenbaum and Maurice "Mo" Olian fought it out for the presidential spot with Mo winning with a narrow 224 votes. In a still narrower run-off, Hoyt Purvis defeated Leon Graham with a margin of only 17 votes. Along with elections the TSP Board appointed Jack Lowe, Ranger editor for 1961-62.

The Turtle Club presented its annual Spring aquatic show with 27 University water belles performing synchronized swimming compositions built around the show's theme, "Safari." A diving exhibition and a dance presentation by the Orchesis Club was also featured at the show.

At the International Club Costume Dance members wear their native dress. The Festival which preceded the Dance had many wonderful performers; the Japanese dancers being one of the best.

The Trio Colombia and visiting Soviet students entertain several hundred people at the International Club's dance honoring the USSR visitors.

INTERNATIONAL DANCE FESTIVAL, MODEL UN ASSEMBLY

The International Dance Festival was held at Hogg Auditorium with fourteen countries represented.

The Model UN assembly had over 275 delegates representing 68 countries, the students were from Texas and Oklahoma Universities. The Assembly was sponsored by The University of Texas YMCA-YWCA and the International Commission in connection with the collegiate council for the United Nations. Dr. Frank P. Graham, a United Nations staff member, was the main speaker for the session.

Angel Flight, which is the co-ed auxiliary to the Arnold Air Society, named their first pledges as a new organization on the campus.

The last on the schedule of the Cultural Entertainment Committee's programs featured Roger Williams in the presentation of "An Evening With You."

Twelve University students, hosts to our visitors from Russia, officially welcomed them on April 25th. Later in the week, a University wide reception was held by the International Club in the Texas Union.

Classes were dismissed April 7th to enable students to attend the Round-Up Bar-B-Que on Freshman Field sponsored by the Texas Cowboys.

The uniform for the day was Western attire. The Silver Spurs made sure that culprits failing to wear the Western garb were fined, jailed or both. To end the Western Day in a dancing mood, Hank Thompson and his Brazos Boys provided music for the dance on the south terrace of the Main Building.

The 34th annual Texas Relays, with more than 1,200 entries and a large number of Olympians, smashed thirteen records. There were twenty-two Universities from nine states to lead the top group while seventeen entered the college division, twenty-three the Junior College-Freshman group and thirty-eight in the High School class.

SHOWCASE, SWEETHEARTS AND ROUND-UP REVUE

Secretary of State P. Frank Lake cut the ribbons at the door of the Main Ballroom to open the Round-Up Show-case. Exhibits representing fifty-five areas of campus life, academic and extracurricular activities were displayed.

The 1961 Round-Up Revue was in the opinion of almost everyone the best this campus has seen in many a year. Under the very competent direction of Bob Fahey and with the talented Kay Coleman as the choreographer, the cast of students gave a very professional and enjoyable performance.

The Law School Day festivities were held on April 7th with Miss Sally Spears of San Antonio named the Portia of Law School. The Pereginus, the Law School yearbook sponsors the sweetheart contest.

Mrs. O. V. Scott nominated by the Law Wives Club was named Mrs. University and was presented with an engraved gold charm bracelet from the Married Students' Council. Mrs. Scott, who has a four-year-old son, also teaches at Lamar Junior High School.

After the Revue and the Presentation, the chairs were quickly removed for dancing. Billy May's orchestra provided the music for the Round-Up Ball to end the two days of festivities.

CBA WEEK, VARSITY CARNIVAL

CBA Week, a four-day look at what is happening in the College of Business Administration, took place during the week of April 16. Activities that highlighted the week were, Student-Faculty baseball and volleyball games, announcement of the CBA Sweetheart and a TGIF Party.

Possibly the biggest crowd Varsity Carnival ever had, about 5,000 sharp-elbowed and persistent fun seekers, were jammed to capacity in the 17 booths for about five hours. Acacia fraternity carried away three trophies at VC. They won first place for best show and publicity plus the sponsor trophy for VC Queen. The Chi Omega skit won first place in the sorority show division and Kappa Kappa Gamma won first place in concessions. Sigma Phi Epsilon's "Believe It or Not" was judged best fraternity show.

HONORS AND AWARDS BRING THE SCHOOL YEAR TO A CLOSE

Honors were bestowed on students from all phases of campus life during the few weeks preceding final examinations. Spooks and Orange Jackets tapped their spring members. Sixteen new initiates were tapped for Mortar Board. The women's dormitories held traditional dinners and tapped new advisors for the school year of 1961-62.

Many banquets were held during these weeks to honor members and to present awards. The Cactus banquet was held on May 9th. Carol Prouty, Cactus Editor, was presented with a plaque for her outstanding work by Mr. Olin Hinkle. The new editors were announced for the coming year, Beckie Wood, Editor-in-Chief, Donna Nelson, Associate Editor, Margaret Bowles, Editorial Assistant. The Bluebonnet Belles were presented and the Outstanding Students and Goodfellows were announced.

In the midst of pre-exam quizzes and the normal campus confusion, the annual Swing Out ceremony brought a touch of beauty and sentimentality to the student body. Swing Out sponsors, Cap and Gown and Silver Spurs, presented special awards to outstanding students.

STUDENTS' ASSOCIATION

ROBERT CAMERON HIGHTOWER
President, Fall

MAURICE SAMUEL OLIAN, Vice-President, Fall, President, Spring, and BETTY JUNE NELSON, Clerk.

Every student of The University of Texas is automatically a member of the Students' Association. Its function is to provide a medium through which student opinion and concern can be interpreted to the faculty, staff, and administration. Most of this interpretation is done through student and faculty committees, the Student Assembly, Student Court, and personal contact.

The direction of the Students' Association is determined by the three executive officers, (President, Vice-President and Secretary) as legislative breach (Student Association) and similar breach (Student Court)

dent, and Secretary), a legislative branch (Student Assembly), and a judicial branch (Student Court).

The elected president, vice-president, and secretary represent the student body on President Ransom's Advisory Cabinet, Faculty-Student Cabinet, Union Board of Directors, Athletic Council, Board of Directors of Texas Student Publications, Inc., Social Calendar Committee, Central Round-Up Committee, Parking, Traffic, and Safety Policy Committee, Faculty-Student Discipline Committee, and many other committees related to student activities. The further responsibility of administering the committee system, and working for the student welfare is delegated to these officers.

STUDENT ASSEMBLY

The Student Assembly, the legislative branch of the Students' Association (student government at The University of Texas), meets regularly on the second and fourth Thursdays in each month, and is at all times subject to call by the President of the Students' Association.

Among the functions of the Student Assembly are the election from its own membership of students to serve on various important University governing boards and committees; the appropriation of all monies (Blanket Tax) of the Students' Association; approval of all appointments of the Students' Association President; and the enactment of all bills and resolutions necessary and proper for the general welfare of the student body, including the recommending of action to the University administration, the Texas Legislature, and the United States Congress.

Membership on the Assembly is determined by the enrollment of the individual colleges and schools, with each college or school being guaranteed at least one representative. The executive officers of the Students' Association sit on the Assembly, with the President acting as presiding officer.

The Student Assembly, during the 1960-61 school year, took action in the following areas: calling for additional student responsibility in student publications; tightening the restrictions on expenditures by the President of the Students' Association; reaffirming the belief in equal rights for all University students and access to all University-owned facilities; asking for revisions in "dead week" procedures; directing a study of the curriculum in the College of Education; telling the Legislative Commission of the Students' Association's intention to work against any tuition increase for state-supported institutions of higher education at this session of the Legislature; urging off-campus businesses in the University area, such as barber shops, restaurants, and theaters, to integrate their establishments; calling for regular system of financial reports for the Students' Association; and directing the Educational Climate Committee of the Students' Association to compile and submit a report to the proper University authorities on present academic advising systems.

ALTERNATE ASSOCIATE JUSTICES

Walter Tom Henson Clifton Hatcher McCall Shannon Harrison Ratliff

The Chief Justice, elected at large by the student body in the spring, and eight Associate Justices selected by a Judicial Selection Commission composed of the Abbot of Friars, the Editor of the Texas Law Review, the President of the Students' Association, the President of Mortar Board, and the Grand Chancellor, form the judicial branch of the Students' Association, the Student Court. After the commission makes its choices, the President of the Students' Association then designates four of the selections as regular Associate Justices, and four as Alternate Associate Justices to sit in the absence of one of the regulars.

The Court operates under a Judicial Code promulgated through the efforts of the Judicial Code Revision Commission, and enacted by the Student Assembly in the fall of 1960. The Code provides procedure and other necessary rules of practice

before the Student Court, and also provides for appeal to an Appellate Court, composed of three law professors, appointed by the Dean of the Law School.

Pursuant to the constitution of the Students' Association, the Court tries all cases arising under the constitution, and the laws made in pursuant thereof, decides election disputes, and can compel or restrain some officials of student government in the functions of their offices. The Student Court is represented on President Ransom's Advisory Cabinet, the Faculty-Student Cabinet, the Faculty-Student Discipline Committee, and the Parking, Traffic and Safety Policy and Panel Committees. In addition, the Court upon request of the Dean of Student Life handles certain student disciplinary matters. The Court is also available to students and student organizations for interpretation or advisory judgments concerning the constitution or legislation of the Assembly.

Members of the Associate Justice contingent of the Court must be of at least junior standing, and the Chief Justice must be a mid or senior law student.

TEXAS UNION

The Texas Union is the community center of the college, for all the members of the college family—students, faculty, administration, alumni, and guests. It is not just a building; it is also an organization and a program. Together they represent a well-considered plan for the community life of the college.

As the "living room" or the "hearthstone" of the college, the Texas Union provides for the services, conveniences, and amenities the members of the college family need in their daily life on the campus and for getting to know and understand one another through informal association outside the classroom.

The Texas Union is part of the educational program of the college. As the center of college community life, it serves as a laboratory of citizenship—training students in social responsibility and for leadership in our democracy. Through its various boards, committees, and staff, it provides a cultural, social and recreational program, aiming to make free time activity a co-operative factor with study in education. Its goal is the development of persons as well as individuals.

The Texas Union serves as a unifying force in the life of the college, cultivating enduring regard for loyalty to the college.

The 1961 Cactus has been planned to record for you, the students, all the things which made up your year here at UT. The staff has tried very hard to make this edition of the Cactus as complete as possible so that each of you will find your organizations, activities, and interests included in its pages.

More color than ever before is used in the make up of the 1961 Cactus, with special emphasis in color pictures on the opening pages and their portrayal of the impressions of the students on the "Forty Acres".

Several changes occur in this edition of the Cactus involving a new format for the subdivision pages, a change in body type, and a new arrangement of the overall layout. We hope they will please

There were many people working very hard on the Cactus this year, and my thanks go out to all of them. Special thanks go to the staff, Linda Liles, Associate Editor, Beckie Wood, Editorial Assistant, and the two fine judging panels that helped us in the selection of Outstanding Students, Goodfellows, and Bluebonnet Belles.

The 1961 staff joins me in the hope that you will all enjoy looking through your 1961 Cactus, now and in the years to come, as you recall your days at UT.

CHARLIS SMITH Monaging Editor

To the Students:

Texanly speaking, the school year 1960-61 was one of change and of challenge. Editorially, The Daily Texan tried to speak for and to and about a generation often called silent. Its news pages reflected the fact that that generation, was, in one way or another, no longer content to be silent.

Specifically, students spoke and acted to protest segregation policies not only in University-owned facilities, but also in Drag places of business. Originating a protest technique dubbed the "stand-in", over 100 students at a time demonstrated in front of local theaters. Other efforts urging integration included pickets of the theaters and passing out of cards assuring businessmen that students would continue to patronize integrated establishments.

Nor was it a quiet year for student government. After the resignation of one Students' Association President, the Texan reported the race of his successor for re-election. The candidate won, only to face (along with some of the other officers elected in the spring) a series of injunction suits.

Literarily, students also spoke out--in fall and spring editions of the Texan Notebook, a supplement full of original poetry, short stories, essays, plays, and art work.

The Texan itself was continually on the "firing line" for its stands on integration, tuition raises, the John Birch Society, the "atheism bill", and other issues. Through Sunday Panorama pages, the staff tried to confront University students with the world beyond the campus by considering such topics as taxation, urban renewal, and the United Nations.

Inovations in the paper included two "front" pages in election issues of the Texan, with one devoted entirely to election news, the other to general campus news. During the spring semester a series of weekly pages covered in depth the plans and programs of each of seven UT schools and colleges as the Texan staff attempted to add another dimension to its job of telling its readers where the University was and where it was going.

LYNN ASHBY, Editor HUGH LOWE, Associate Editor

To the Students:

It looks as though Hairy has made it through another year without any serious damage. This is surprising to some, disappointing to others, and fills our hearts with o'erbrimning happiness and goodwill.

It's been a good year, both for sales and staff. Every issue has outsold previous years; and the staff has been one of the best ever. Better yet, most of the staff will still be around next year: Joe E. Brown, freshman sick comedian; Lieuen Adkins, master of the putrid pum; Dave Crossley, associate editor and writer of whimsicalities; and I, mild-mannered Bugh Lowe, lackluster editor. We'll also lose a few: Gilbert Shelton, hot-shot cartoonist, is graduating; Tony Bell, vulgar artist, is going to art school in New York; and Lynn Ashby, the Victoria Woodhull of free speech, is graduating.

We even managed to raise one stink this year, when Ashby resigned as editor over a censorahly controversy concerning a story about Logan Wilson entitled "That Madcap Logan Wilson." But things seem to have settled down now and we're looking for a good year next year, with Jack Lowe as editor, and the TSP Board seeming to take more than a destructive interest in the mag.

1960 FOOTBALL

Defensive successes, many of them unanticipated, pulled the 1960 University of Texas Longhorns up by their own bootstraps and into the Bluebonnet Bowl. The Longhorns met their defense-minded counterparts from Alabama at Houston for their tenth bowl game and their third in the four years of the Darrell Royal era.

The game ended in a 3-3 tie.

Texas put together a solid 7-3 record during the regular season and wound up sharing second place in the final Southwest Conference standings. The Longhorns reached the seven-yard line late in the Rice game, only to have an end zone pass intercepted to seal their fate in a 7-0 defeat. A tenth of a yard was the margin by which Arkansas' Lance Alworth picked up a first down that won the 1960 Southwest Conference title for Arkansas. The first down put the Razorbacks in position for a Mickey Cissell field goal which gave Arkansas a 24-23 victory. There were but 16 seconds left when Cissell toed it through. Texas' other loss came when Nebraska scored a 14-13 victory in the season opener. There, too, the Longhorns had a good chance, just missing a late field goal try that could have won it.

Before the season started, Texas had been tabbed as potentially explosive on offense but questionable on defense. As things turned out, injuries and fumbles combined to put a halter on much of the Longhorn attack. But the defense, starring such luminaries as Monte Lee, Pat Culpepper, and Larry Cooper, performed above

expectations.

Three Texas opponents, Maryland, Texas Tech and Oklahoma, were turned away shy of the goal line in consecutive games. A strong TCU team was limited to a safety as the Longhorns scored a 3-2 victory. And Rice, although the Owls

won the game, SMU and Baylor each was held to a single touchdown.

With Jack Collins, who had been so brilliant in 1959, hobbled much of the season with muscle pulls and knee injuries, the offensive burden fell to James Saxton. Probably one of the most exciting runners in the nation, Saxton came through time after time in clutch situations. He ended up leading the team in regular season rushing yards, 407, interceptions, 3, and yards gained by catching passes, 185. He also sped 163 yards with 11 punt returns including a 69-yard touchdown scorcher against Maryland.

Texas again was a ground-minded football team, picking up about 72 per cent of its 2,520-yard total offense via rushing. However, quarterback Mike Cotten, who connected on 32 of 58 passes, did well enough throwing to keep the defense

honest.

As has been true with each of their Royal-coached predecessors, the Longhorns can best be described as a team of desire. Texas again specialized in great pursuit and sharp tackling. Offensively, they continued to use the wing T attack with a sprinkling of quick kicks.

NEBRASKA STUNS LONGHORNS IN SEASON OPENER 14-13

The Texas Longhorns opened their fourth season under Coach Darrell Royal by losing to the University of Nebraska before 40,000 fans at Memorial Stadium. Any dreams that the Longhorns may have had for an undefeated season were dashed by the spirited Nebraska eleven as senior quarterback Pat Fisher led his Cornhusker mates to a dramatic 14-13 victory. Texas, a two touchdown favorite, opened the scoring in convincing fashion the second time they got their hands on the ball. The bull-like rushes of sophomore fullback Ray Poage highlighted an 80-yard drive which was climaxed when junior quarterback Mike Cotten drove into the end zone from 6 yards out. Ray Barton's kick made it 7-0.

Early in the second period Fisher electrified the crowd as he gathered in a line drive punt from the toe of James Saxton on his own 24-yard line and, behind terrific blocking, raced 76 yards to pay dirt. Roy Meade's extra point try was wide and the Longhorns carried a 7-6 lead into the dressing room at halftime.

Nebraska went ahead to stay late in the third quarter as Fisher culminated a 34-yard drive when he sped around end to score on fourth down from the one. The heady Cornhusker quarterback then passed to Bill Thornton for two points which turned out to be the margin of victory. Cotten pulled the 'Horns to within one point of Nebraska as he copped a 63-yard drive by blasting into the end zone from the two. The junior quarterback then tried to run for the two points which would have spelled victory, but he was stopped short of the goal.

Texas mounted one more offensive drive, but on third down and from 17 yards away and with time running out, Ray Barton's field goal attempt and the Longhorn's victory hopes fell short. Although defeated there were some bright spots for the Longhorns. Mike Cotten had performed well and the two sophomore fullbacks, Pat Culpepper and Ray Poage were the leading ground gainers of the game.

Another anxious moment for Darrell Royal.

TEXAS BOUNCES BACK TO OVERWHELM MARYLAND 34-0

Saturday, September 24, was a glorious day for the Texas Longhorns, past and present. In Dallas, an old Longhorn, Bobby Layne, one of the greatest players ever to wear the Orange and White, broke Sammy Baugh's longtime professional passing yardage record. In College Park, Maryland, a band of young Longhorns bounced back from a defeat at the hands of Nebraska to overwhelm the University of Maryland 34 to 0.

Coach Darrell Royal's chargers felt that they had something to prove, and they proved it! Senior Co-Captains, Monte Lee and Dick Jones, led a Longhorn defense which halted every Terrapin advance. Quarterbacks, Mike Cotten and Johnny Genung, spearheaded the Steer offense which rolled up 220 yards on the ground as halfbacks, Jack Collins, James Saxton, Bobby Gurwitz, and Jerry Cook, handled most of the heavy duty. Cotten guided the 'Horns superbly and Genung, playing in his first varsity game, performed like a veteran.

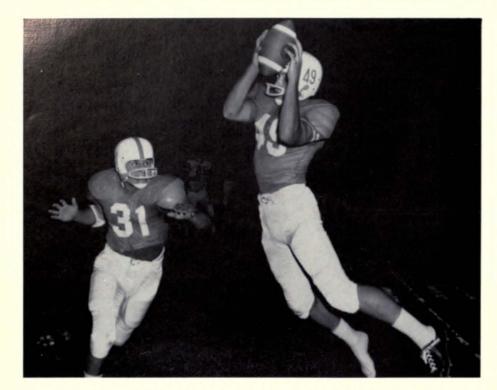

There were many individual stars for Texas. James Saxton played a fine all-around game and provided the big thrill by returning a Maryland quick-kick 69 yards to open the scoring. Earlier he had thwarted a Terp drive with a pass interception in the Texas end zone. Sophomore, Jerry Cook, was the game's leading rusher due mainly to a brilliant 62-yard run from scrimmage which ended the scoring. Jack Collins scored twice and played his usual dependable game. All 39 players who made the trip saw action and each one played well.

STEERS USE AIRWAYS TO TURN BACK TECH 17-0

Fresh from their victory over Maryland, the Longhorns returned to Memorial Stadium to do battle with Texas Tech's Red Raiders. The Steers used a rugged defense and a balanced offense led by Mike Cotten and Bobby Gurwitz to defeat the West Texans 17-0 for their first win in defense of their Southwest Conference Championship.

While the 'Horn defense limited a sputtering Tech eleven to eighty-five yards total offense, Cotten and Johnny Genung hit 6 of 13 passes for 194 yards, and Gurwitz led a ground assault which netted 190 yards. The crowd of 52,000 had hardly settled in their seats when Cotten started the aerial fireworks.

On the Longhorns' first play from scrimmage, Cotten, a junior quarterback from Austin, faded back behind the sturdy Longhorn forward wall and lofted a 5-yard scoring pass to All-Southwest Conference halfback Jack Collins. Collins, a Dallas junior, juggled the ball momentarily, then pulled it in and outran the Raiders' secondary to the goal line. Dan Petty's kick made the score Texas 7 and Tech 0 with three minutes gone in the first quarter.

With the time running out in the half, Cotten again turned to the airlanes for six points as he hit senior end Larry Cooper who broke loose on a 54-yard scoring play. Early in the third when a Longhorn drive stalled at the Raider seven, Dan Petty ended the game's scoring with a 12-yard field goal. With two successive wins under their belts, Coach Darrell Royal and his Longhorns looked eagerly toward Dallas and Oklahoma.

LONGHORNS STAMPEDE SOONERS 24-0

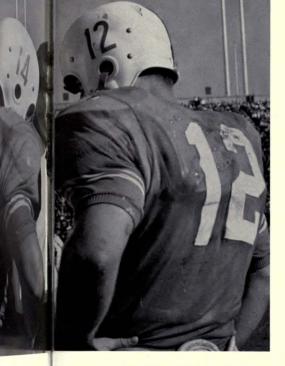

A vicious Texas defense enabled the 'Horns to halt Oklahoma 24-0 as the Orange and White administered their third consecutive shutout of the season. It was the first time since a Texas 20-0 victory in 1944, that the Okies have failed to score in this Dallas Cotton Bowl classic.

Sophomore fullback Ray Poage drove for two touchdowns after an early 33-yard field goal by Dan Petty. Then to close a perfect afternoon for the 'Horns, sophomore Pat Culpepper swiped a Jimmy Carpenter pass and raced down the sidelines 78 yards for the final touchdown. Three other sophomores, linebacker Johnny Treadwell, guard John Seals and end Bob Moses led the Longhorns' tremendous line play.

Starting early in the first quarter on their own 12-yard line, the 'Horns, led by slippery Jimmy Saxton, marched 71 yards in ten plays and after a 33-yard field goal by Dan Petty, led by 3-0. Texas took over on its own 35 and zoomed 65 yards in seven plays. The big gainer in the drive was a 37-yard pass from Mike Cotten to end Bob Moses which was ruled complete due to Oklahoma pass interference. Poage scored from 4 yards out, Petty added the extra point and the Orange left the field with a 10-0 lead at half-time.

Cotten led the second touchdown drive, this one for 37 yards, with Poage plunging over from the two. Again Petty's kick was true. Following a booming 49-yard kick by Jack Collins, the Sooners managed their biggest threat of the day. They stormed 90 yards to the Texas 3 where a fumble recovery by Larry Cooper halted their drive and all hopes for victory.

With time running out, Oklahoma, trying desperately to avoid a shutout, drove to the Texas 21 where Monty Lee dropped Melvin Sandersfeld for a 7-yard loss. On the next play Culpepper intercepted a Jimmy Carpenter pass, and galloped 78 yards untouched for a final touchdown and the ball game. For Coach Darrell Royal and his Longhorns it was a great victory. All three Texas units played equal time and performed in true Texas spirit. This indeed, was their finest hour.

HOGS STOP 'HORNS ON LATE FIELD GOAL 24-23

After three straight shutout victories, the Longhorns returned to the confines of Memorial Stadium to continue defense of their Southwest Conference Championship by hosting Frank Broyles and his Arkansas Razorbacks. Thirty-five thousand fans turned out to see the game which eventually decided the league title. Texas jumped off to an early 14-0 lead, and it looked as if the 'Horns were going to make short work of the men from the Ozarks. This was not to be the case, however, as quarterback George McKinney brought Arkansas to within seven points in the closing seconds of the first half when he hit end Jimmy Collier for six points on fourth down and goal to go from the Texas ten.

Shortly after halftime Arkansas scored again as McKinney hit Steve Butler for another touchdown and Mickey Cissell added his second extra point to knot the score at 14 all. Dan Petty came back with a 25-yard field goal, and when Mike Cotten scored on the first play of the fourth quarter, it looked like Texas was safe.

Arkansas, however, had different ideas, and again McKinney was up to the occasion as he hit Jarrell Williams for a 19-yard score and Cissell was as sure as ever from the kicking tee. Texas could not move the ball and punted to the Razorbacks. A 14-yard return set up the final drive from the Longhorn 37. With less than three minutes to go, Arkansas rode the flashing legs of Lance Alworth to the 'Horn 13, and with 15 seconds showing on the scoreboard clock, a 22-yard field goal from the toe of Cissell split the uprights for the one point victory. In the end there was just too much George McKinney, Lance Alworth, and Mickey Cissell, and when the final gun sounded the scoreboard told the story. Arkansas 24—Texas 23.

RICE DEALS LONGHORNS 7-0 DEFEAT

Undaunted by their loss to Arkansas, Texas invaded Houston to do battle with Jess Neely's Rice Owls. More than 73,000 fans filled Rice Stadium in anticipation of witnessing a fine ball game. It was a hard fought, well-played game from the start, typified by ferocious line play. In the early stages of the game, Texas was unable to move the ball effectively but had managed to stop Rice with a tremendous goal line stand on the one.

Midway in the second quarter the Owls got the break they needed. Quarterback Billy Cox skirted right end on fourth down and goal from the two to climax a 24-yard drive which started when Rice guard, Bobby Lively, pounced on one of six Longhorn fumbles on the 24. At half time the score was 7-0, Rice.

The two teams see-sawed back and forth in the second half with neither posing much of a threat. With six minutes left to play, Texas took over the ball on its own 24-yard line. From that point the 'Horns rode the arm of Mike Cotten to mount their only sustained drive of the night. James Saxton took a screen pass from Cotten and raced 20 yards to the 44. Passes to Saxton and Ray Poage netted a first down at the Owl 7.

On third down, Cotten faded back and fired a pass in the direction of sophomore end Tommy Lucas, but Max Webb went in to intercept in the end zone. Rice proceeded to run out the clock and preserve a well deserved victory. For Texas, who just two weeks earlier had been on top of the world, it was a crushing defeat which virtually eliminated them from the Southwest Conference title picture.

STEERS DROP PONIES IN MUD 17-7

With their backs to the wall atter two disastrous defeats at the hands of Arkansas and Rice, Texas returned home to play host to Bill Meek's hapless S.M.U. Mustangs. A rain-soaked Memorial Stadium turf provided the scene of action as the Steers staved off a determined Pony effort 17-7. The game was billed as a breather for the Longhorns, but it never developed as such due to the mud.

Neither team could mount much of an offensive but Texas did manage to ride the airways for two touch-downs in nailing down their fourth victory in six starts. Jack Collins opened the scoring with a running pass to James Saxton late in the first quarter and shortly thereafter, Mike Cotten capped a 54-yard scoring drive with an eight-yard toss to end Tommy Lucas.

Collins' 2-point conversion run after the second six pointer gave Texas a 14-0 lead at the half. The Mustangs pulled to within 7 points midway in the third quarter when Gene Sherman scored from the Texas two after a 'Horn quick-kick was blocked. During most of the second half, Steer reserves battled the Ponies to a standstill.

S.M.U. kept the game in doubt until the closing minutes when, with 3:29 left in the final quarter, Dan Petty put the 'Horns out of reach with a 13-yard field goal. The Longhorns managed one more drive after recovering a fumble at the Mustang 27. With 42 seconds left, George Lewis ripped 16 yards for what looked to be another score, but Texas was penalized and had the play called back. The final gun found the Orange and White reserves on the Pony one-half yard stripe.

"Go Get 'Em 'Horns," with Monte Lee (86) and James Saxton (10) leading the charge.

TEXAS DEFEATS BAYLOR IN 12-7 THRILLER

Saturday, November 5, provided the moment of truth for Darrell Royal's charges. On this date, they came of age. Waco provided the scene of action, and Baylor University's hungry Bears, the opposition. All the percentages, save the Texas' red candle jinx, seemed to favor Baylor. The Bears entered the contest after an impressive 28-14 trouncing of eventual champions, Arkansas.

Due to injuries, neither halfback Jack Collins nor sophomore Johnny Treadwell saw any action on the cold afternoon, and Ray Poage missed all but two plays. Hard hitting and fine defensive play became the rule. Mike Cotten, who logged 45 minutes playing time, set up Texas' first score midway in the second quarter as he hit James Saxton with a pass deep in Baylor territory. Three plays later David Russell burst off tackle to give a 6-0 halftime lead.

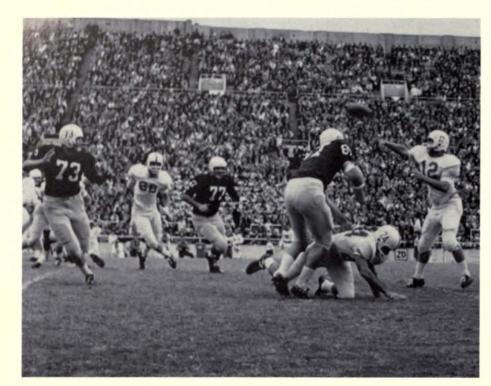

A shaky 6 point lead was increased to 12 shortly after the start of the second half as the 'Horns scored the first time they got their hands on the ball. Saxton, the game's leading ground gainer with 87 yards on only 7 carries, opened the drive with a dazzling run which carried to the Baylor 12-yard stripe. Five plays later sophomore fullback John Cook blasted in for the score. At that point Ronny Stanley, the Bears' All-Conference quarterback began to move the ball via the airlanes. The high spot came when Stanley hit Ronny Bull for 6 points midway in the fourth quarter. In all, Baylor threw 40 times, completing sixteen for 267 yards. In the end, however, it was not enough as Baylor found themselves 5 points short of Texas and 6 points short of the Cotton Bowl. Led by James Saxton, Monte Lee, Dick Jones, Marvin Kubin, Mike Cotten, and Larry Cooper, the Texas victory was well deserved.

LONGHORNS EDGE FROGS 3-2

Back on the victory track, the Longhorns journeyed north to do battle with TCU's Frogs in Fort Worth. The game progressed in typical Orange vs. Purple fashion of rugged line play and vicious hitting. Defense was the keynote as both forward walls performed magnificently. It was an exceptionally clean game for one which was so hard fought with only 43 yards of penaltier

Texas dominated the first half and in the second quarter they mounted the game's only scoring drive. After recovering a blocked punt on their own 33-yard line, the 'Horns drove 59 yards to the TCU 8, where Dan Petty booted a 15-yard field goal. The Frogs got their two points midway in the fourth period when Milton Ham nailed James Saxton in the Texas end zone on a reverse play.

The last 8 minutes went fast and furious as both teams tried to mount an offensive. TCU's 6' 7", 235-pound quarterback Sonny Gibbs, tried to pull out for the Frogs with some last minute aerial antics, but the final gun found the ball 14-yards short of the Texas double stripe.

It was a contest filled with individual stars. For TCU, Robert Lilly, an All-American tackle, played perhaps the greatest game of his life as he figured in 15 tackles, blocked a punt, recovered a fumble, and blocked well all day. For Texas, there were many with Monte Lee, Dick Jones, and James Saxton standing out especially. What could have been a disastrous year was turning into a fine season and only the Aggies stood in the way.

TEXAS HANGS ON TO BLAST AGGIES 21-14

The Horns went on to score twice in the second period. The first one came early as Ray Poage took a pitchout from Mike Cotten and sailed around end for the final 10 yards to climax a 34-yard drive. With time running out in the half, Lady Luck again smiled on the Longhorns as Marvin Kubin fell on an Aggie fumble at the 11. On fourth down from the one, Cotten rode into the end zone, giving Texas a 21-0 lead at the halftime.

When the bands stopped marching, the Aggies started as they rallied for 14 points on the strong running of Randy Sims and John Hew. Hew scored from six yards out and Sims came right back with a three-yard tally to put the Aggies back in the game. After Sims' jaunt the 'Horns came back with a time consuming 74-yard drive which bogged down on the A&M 6 with two minutes left in the game. The Aggies were on their own 40 as the game ended.

For the seniors especially it was a gratifying win which preserved their victory string over A&M. This had been their last game in Memorial Stadium and they had presented the home crowd with the greatest of all going away presents—a victory over the Aggies.

Mike Cotten (12) charges on a keeper play against Alabama in the Bluebonnet Bowl.

TEXAS AND ALABAMA BATTLE TO 3-3 DRAW IN BLUEBONNET BOWL

Darrell Royal and "Bear" Bryant, two advocates of the theory that if you don't give your opponents any points, you can't lose, led their charges to Houston for the second annual Bluebonnet Bowl game. More than 68,000 fans turned out to witness the titanic defensive battle played under ideal weather conditions. Alabama scored first on Tommy Booker's 20-yard field goal to put the Crimson Tide on top 3-0. The kick was set up when Bob Shelton, 'Bama quarterback, hit Bill Rice on a 49-yard pass to the 7.

Texas mounted its only scoring drive of the day midway in the fourth period largely on the running of Ray Poage, the game's leading ground gainer with 56 yards on 14 carries. Rushes by Poage and Collins and a personal foul called against Alabama moved the ball to the 'Tide 19, but again the 'Bama defense rose up and the drive seemed doomed with fourth and six from the 15. Dan Petty came in and Texas lined up in field goal formation. On the snap, Petty faked the kick and Mike Cotten rolled on his right and then fired a screen pass to Collins who drove to a first down at the 7. Three plays netted only 4 yards and on fourth down and goal from the 3, Petty stepped back and knotted the score at 3-3 with 3:44 minutes left.

Texas regained the ball on their own 49 and moved to the Alabama 18 on a pass interference call as time ran out. Petty was sent in, but his attempted field goal was low and to the left, and the final score showed Texas 3 and Alabama 3. James Saxton and Alabama's Lee Roy Jordan were named the game's outstanding back and lineman. Players who donned the Orange and White for the last time were Monte Lee, Dick Jones, Bobby Gurwitz, Larry Cooper, Jim Bob Moffett, H. G. Anderson, Howard Jackson, Bill Laughlin, Dan S. Petty, Stephen Hildebrand, and Drew Morris. So the Longhorns closed the season with the hard hitting, heads-up football that carried them all through the season and has become the trademark of Darrell Royal's teams.

The Texas Yearlings opened their college football careers on October 6, with a 20-6 victory over the Baylor Cubs in Memorial Stadium. Texas scored three times after pass interceptions, to beat back a determined Baylor eleven. The Cubs scored first as quarterback Dean Nix climaxed a 59-yard drive with a one-yard scoring plunge. Quarterback Duke Carlisle's one-foot plunge with seven seconds remaining in the half knotted the score 6-6. During the fourth quarter, fullback Olen Underwood drove

TEXAS 34-RICE 6

The Shorthorns, led by a backfield combination of Duke Carlisle, Tommy Ford and Tony King, mauled the Rice Owlets 34-6, on October 21 here in Austin. King and Ford each scored on a 4-yard run, both followed by Lee Hensley's extra point boots to give Texas a 14-0 halftime lead. During the third period, Carlisle tossed a 37yard touchdown pass to Ben House and then scored one himself on a 9-yard keeper play. Quarterback Tommy Wade fired a 37-yard pass to Tommy Mankin to give the Yearlings a score in every quarter. TEXAS 18-SMU 8

The Texas Longhorns shot forward with a blazing start that enabled them to take an early conference lead before falling to a 8-6 Conference and 14-10 season record. The defending champion Steers' difficulties in their road games was the main factor in this drop from Southwest Conference kings to fourth place finish.

Altogether, however, the season could be considered a very successful one. The 'Horns won all home Conference battles including a 63-55 triumph over Conference Champions Texas Tech, a televised 71-65 victory over SMU and a 81-76 thriller over the Aggies.

The sparkplug and leading scorer for the '60-'61 Longhorns was All South-west Conference guard Donnie Lasiter. Also outstanding was the work of Albert Almanza, great shooting and rebounding senior forward, Wayne Clark, excellent defensive and rebounding center, Jimmy Brown, aggressive junior center and Butch Skeete, hustling junior guard. But what really made the team successful was the expert sophomore bench strength furnished by Jack Dugan, Jimmy Gilbert, Robert Ledbetter, Mutt Heller, and Coyle Winborn.

The 'Horns opened the 1960-61 basketball season on December 3 before 4,500 fans in Gregory Gym with a runaway victory over Howard Payne University. Sophomores and upperclassmen worked smoothly together to pile up a 10-point halftime lead and a 77-54 score. In his first varsity game, Robert Ledbetter led the scoring with 14 points as his teammates compiled a 49.3 percentage on field goals.

On December 5, in a spottily played game before a mere 1,500 fans in Gregory Gym, the Texas Longhorns finished strong to down the Trinity Tigers, 71-59. Donnie Lasiter was the scoring leader with 19 counters, followed by Butch Skeete's 14 and Al Almanza's 13 points.

Texas suffered its first defeat of the season on December 7 at the hands of Oklahoma City University 53-49 before four thousand "angry" Gregory Gym partisans. The Chiefs played deliberate, waiting type ball to preserve their 33-30 halftime lead, and with a few breaks in the closing minutes, closed off a desperate 'Horn rally.

A UT late cold streak enabled the Tulane Greenies to take a come from behind 63-49 victory at New Orleans. After leading 43-39 with nine minutes to go, Texas went blank as the Greenies, aided by forward Jim Kerwin's 17 points and 6 foot 9 inch center Jack Ardon's 17 rebounds, swept by for their fourth straight win. Almanza was the 'Horns' top scorer with 16 points.

A spirited Texas rally wasn't quite enough as Louisiana State upset the Longhorns 62-59 at Baton Rouge to drop the 'Horns to a 2-3 record. Lasiter, UT high point man with 19, headed the late seige that fell just short of victory.

Brown's three straight jump shots led the 'Horns to an 80-70 extra period victory over Tulsa in Gregory Gym Saturday, December 17. Almanza led the scoring with 20 points, followed by Lasiter and Brown with 15 each. This brought the 'Horn record up to an even .500 (3-3), which they never fell below again all year.

Texas scored two narrow victories over Southeastern Conference foes in the first annual Aluminum Bowl Classic at Little Rock. On Wednesday, December 22, led by Mutt Heller with 14 points and Jack Dugan with 10, the Longhorns came from behind to halt the Tennessee Volunteers 77-73. Two veterans, Almanza and Lasiter, combined with the two sophomores to spearhead the 'Horns victory drive. Almanza contributed 13 rebounds and a game leading 19 points, while Lasiter scored 15 counters. On Thursday, the Longhorns staved off a late Alabama rally to edge the Crimson Tide 79-78. High scoring Almanza and Lasiter were named to the five man Aluminum Bowl all-star squad.

As a final warm-up before a heated conference race, the Longhorns traveled to Houston for two games. Thursday, December 29, saw the Texas five go stone cold, shooting only thirty percent from the field, to lose a low scoring 48-44 affair to Clemson. The following evening the 'Horns fielded a torrid fifty-three percent to outbomb Mississippi State 93-82. Skeete led the scoring with 24 points, Almanza hit for 20. This flash ended the 1960 portion of the schedule, and gave the Longhorns a 6-4 non-conference record.

In a record breaking four period overtime thriller, the Frogs of TCU "free throwed" their way to a 95-94 victory over the Texas Longhorns. The 'Horns scored a record 43 field goals to 29 for TCU but the Frogs hit 37 of 54 free throws and the Longhorns lost four regulars on fouls. Texas, with a supreme game effort of 34 points by Skeete fought from behind in each extra period only to fall one point short in the fourth overtime.

TEXAS 63-TEXAS TECH 55

The Longhorns of Coach Bradley coasted to a relatively easy 63-55 victory over the eventual Southwest Champions, Texas Tech, before a jubilant Gregory Gym turnout. The 'Horns lect all the way in a game that knocked the Raiders from the Conference undefeated ranks. All-Conference Tech player, Del Ray Mounts' and Harold Hudgens' 17 and 15 points were not enough as the balanced Texas attack of Alamanza's 14, Brown's 13, Skeete's 12 and Lasiter's 11 points added to Almanza's 15 and Brown's 10 rebounds equalled victory.

TEXAS 81-TEXAS A&M 76

Before a howling mob of 7,500 in Gregory Gym, Monday, January 16, the Longhorns rallied to a 81-76 victory over the Aggies from College Station. Little Jimmy Gilbert, playing in relief for the foul ridden Lasiter, was at his best as he hit 10 of 11 free shots and totaled 16 points. Almanza was high point man for the Orange with 23, but smooth Aggie Carroll Broussard was high for the game as he tied an A&M school record with 37 points. The win gave the 'Horns a 4-1 record and the Conference lead at semester break.

The nineteen day layoff between semesters proved too much for the Longhorns as they dropped a tight decision to the Rice Owls in Houston, 63-59. Texas started cold with 13 points in the first 14 minutes, enabling the Owls to pile up a 39-31 halftime lead. All-Conference guard Lasiter, the game's leading scorer with 20 points, headed a second half comeback that fell short as the Longhorns dropped to second place in the Southwest Conference Championship race.

In a loosely played game at Gregory Gym the Longhorns managed a 68-65 win over last place Baylor to push the 'Horns into a second place tie. The lead changed hands twelve times. The 'Horns outjumped the Bears 52-27 on the boards, with big Brown grabbing 10 of these. Lasiter led all scorers with 21 points.

TEXAS 71-SMU 65

On Saturday afternoon, February 18, before television viewers and a small Gregory Gym turnout, the Texas team shot and rebounded its way to a 71-65 triumph over SMU. Bradley's 'Horns canned 45.6 percent of their shots and grabbed a 42-26 rebound advantage while the Mustangs were leading in free throws, hitting 23 out of 24 attempts, to provide a good television show. Lasiter led all scoring with 21 points, 16 in the first half. Almanza was runner-up with 18 points. He was high in rebounds, taking 18. Clark, who played one of his best games defensively, scored nine and grabbed nine rebounds.

Almanza was the game's leading scorer with 1 points, but a balanced SMU attack was too much.

TEXAS 59-ARKANSAS 74

Phenomenal shooting in the opening minutes enabled the Arkansas Razorbacks to grab a commanding lead that the Longhorns could never overcome, as the 'Hogs dealt the 'Horns a fourth road game defeat. In their 74-59 victory the Razorback five hit seven straight field goals to take an early 14-1 advantage. Led by Almanza's 17 points, Skeete and Dugan's 11 points each, the Longhorns fought back to chop the margin to four points but 15 of 16 successful free throws in the final three minutes provided the Hogs with what seemed to be an easy victory.

TEXAS 60-TEXAS TECH 63

On Thursday, March 2, before a record crowd of 10,380 Lubbock fans, the new champions defeated the defending champions as Texas Tech gained a 63-60 victory over the 'Horns. All-Conference Raiders Harold Hudgens and Del Ray Mounts scored 20 and 17 points to lead a Tech squad that set a team scoring record in Conference play of 1,102 points. Lasiter tied for high-point man with 20 as he played brilliantly to spark the 'Horns to an early lead which eventually gave way to the Red Raiders' challenge. This road game defeat, number six for the league play, left the Longhorns with a commendable 8-6 fourth place Southwest Conference season record.

TEXAS 69-TEXAS A&M 86

For the sixth straight year the Longhorns left Aggieland with a defeat, this one crushing all Orange title hopes as Texas A&M gained an 86-69 win. Carroll Broussard, the scoring mechanism of the Aggies, ripped the nets for 37 points, a total he reached three times this season, twice against the 'Horns. Lasiter played superbly in defeat, scoring as his season high of 34 points.

High scoring and rebounding Joe Fisher led the Yearlings to their second half comeback. Other outstanding performers for the Shorthorn squad were Dale West and Craig Winborn, two sharp shooters, tall Mike Humphrey and Harvey Holliman, excellent rebounders, and keen-eyed guard James Puryear.

The Longhorns had an up and down season as they won the first regularly scheduled meet at Austin, suffered injuries at the Border Olympics, came back to be the upset winners of the West Texas Relays, and then suffered defeat several times at the hands of last year's champion, Baylor University. On May 12, however, a fully recovered Longhorn team came back to regain the conference crown and award Coach Clyde Littlefield his 25th Southwest Conference Track trophy.

Ralph Alspaugh was one of the Longhorn's consistent winners, as he dominated his specialty, the sprints, throughout the season and ended his college career with a sensational 9.2 second 100 and a 20 second flat 220. Other outstanding Longhorns were Jim Smith in the javelin, Ray Cunningham in the hurdles, and sophomore Charlie Giesey who excelled in three different events, javelin, high jump and discus.

The 'Horns opened the season at the Will Rogers Games in Fort Worth and then returned to Austin for a triangular meet with Houston and Texas A&M. Then came the ill-fated Border Olympics where Cunningham suffered the injuries which plagued him throughout the year. Next the Longhorns traveled to West Texas for the San Angelo Invitational and the West Texas Relays. On April 7-8 the 'Horns played host for Round-Up and the Texas Relays. Following the Dallas Invitational on April 14, the Texas team participated in the Kansas Relays and the Drake Relays before returning to Austin for a quadrangular meet and later the Southwest Conference Meet.

WILL ROGERS GAMES

On February 9 the Longhorns took part in the first indoor meet of its kind in Fort Worth. Texas was not able to do better than third place in the Will Rogers Coliseum as Abilene Christian College took first place with 42-2/3 points to 21 for SMU and 18 for Texas. The Longhorns' Ralph Alspaugh took first place in the 60-yard dash in 6.3 seconds.

TRIANGULAR MEET AT AUSTIN

In the first regular season meet at Austin on March 4, Coach Clyde Littlefield's Longhorns literally ran away with things as they set three new records in amassing a total of 75 points to the University of Houston's 56 and Texas A&M's 39. Hurdler Ray Cunningham set a new record of 14.0 seconds flat in the 120-yard high hurdles and in the 220-yard low hurdles he erased the old record with a time of 22.6 seconds. Texas' other record was by shot putter Jim Allison who heaved the 16-pound shot 55 feet. Other Longhorn winners were Alspaugh in the 100 and 220-yard dashes and Charlie Geisey who won first place in the discus, third place in the pole vault and third place in the high jump.

BORDER OLYMPICS

March 11 was an unlucky day as injuries plagued Longhorn hurdlers Ray Cunningham and Rex Wilson. Texas could do no better than third place with 40 points as Ralph Alspaugh picked up the only first place with a win in the 100-yard dash in 9.5 seconds although Cunningham set a new record of 14 flat in the 120-yard high hurdles in the preliminaries before suffering his leg injury in the 220-yard hurdle preliminaries. Defending Southwest Conference champion, Baylor, won the meet with 611/2 points followed by Abilene Christian College with 48. The University of Houston was fourth with 32 points.

WEST TEXAS RELAYS

On March 17 the Longhorns were the surprising winners of the West Texas Relays in Odessa. The Texas javelin men paced the team to a total of 70 points by winning the first five places. Jim Smith was first, followed by James Houston, Sam Giesey, Terry King and Robert Hall. Sprinter Alspaugh won the 100-yard dash in 9.7 second and the mile relay team composed of Dan Isett, Randy Curson, Wayne Porter and Alspaugh, set a new record of 3:12.7. Baylor was second with 63 points, SMU was third with 51, and Texas was fourth with 321/2.

QUADRANGULAR MEET AT WACO

Once again, on March 25, the Longhorns were forced to take second best at the hands of Baylor University, 55½-69. Texas took only three first places as Jim Smith won the century in 9.5 seconds and the mile relay team of Isett, Curson, Porter, and Alspaugh again took first place.

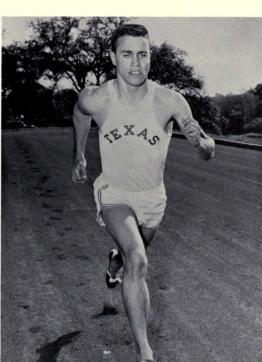

SAN ANGELO INVITATIONAL

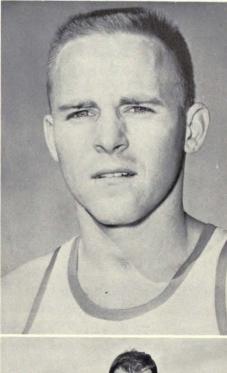

On March 31, the Longhorns went to the annual invitational meet at San Angelo, where they finished fourth with 24 points behind Abilene Christian's 42 points, Baylor's 36 points and Southern Methodist's 25 points. Texas' two first places came with Alspaugh's win in the 100-yard dash and Jim Smith's win in the javelin. In the second place spots were Charlie Giesey in the javelin, Baylus Bennett in the pole vault, and Jim Allison in the shot put. Allison also placed third in the discus and the 440-yard relay team was fourth. Texas broad jumpers, Jack Sides and Herbert Bubba Jones tied for fourth in that event.

TEXAS RELAYS 1961

Dennis Richardson, Abilene Christian College, in the 100-yard dash finish.

Led by Olympian Earl Young, Abilene Christian College ran away with top honors at the 34th Annual Texas Relays, April 7-8. ACC won four relay events, tying one record and smashing a world record in the mile relay at 3:07.9. Young was voted outstanding performer for his great anchor leg on three relay teams. Sprinter Dennis Richardson added to ACC's glory by scoring a victory in the 100-yard dash. Ralph Alspaugh's fourth place finish was typical of the Longhorn's efforts for the day. For the first time since 1930, the Texas thinclads failed to win a single event as the best performances were Jim Allison's second place in the shot put, Jim Smith's second in the javelin, and Baylus Bennett's tie for third in the pole vault.

Texas continued to suffer the pains of losing as they finished fourth in the Dallas Invitational Meet, April 14. Baylor and Oklahoma tied for first with 47 points, SMU was third with 43½, and Texas fourth with 27½, Ralph Alspaugh finished first in the 100 and 200-yard dashes to become one of the meet's double winners. His times were 9.7 and 21.4 seconds respectively. Texas' javelin men, Jim Smith, Terry King and Charles Giesey continued their winning form by taking the first three places in that order. Smith's winning throw was 214 feet 9 inches. Texas' other point makers were Jim Allison, fourth in shot put; Jack Sides, fourth in broad jump; Baylus Bennett, third in pole vault; Danny Taylor, fourth in 880; John Eschle, third in the 2-mile run; and Giesey, who also tied for third in the high jump.

KANSAS RELAYS

Teams from the Lone Star State dominated the Thirty-Sixth Kansas Relays on April 21st, but the Texas Longhorns weren't among the winners for the first time in many years. The Longhorns' only first place came when Alspaugh won the special 100-meter dash. Alspaugh also finished third in the University division 100-yard dash. Ray Cunningham took second place in the 120-yard high hurdles in his first attempt since being injured in the Border Olympics. The only other events in which Texas placed were the shot put with Jim Allison's fourth place and the javelin with Jim Smith in fourth place.

DRAKE RELAYS

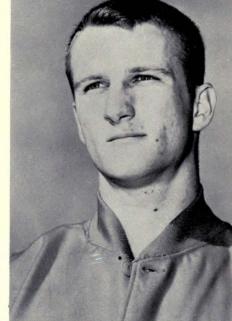

It was the same song, second verse at the Drake Relays on April 29, as once again Texans took top honors but The University of Texas failed to do better than Jim Smith's second place in the javelin. Alspaugh finished third in the 100-yard dash behind Bill Kemp of Baylor. Jim Allison could do no better than fifth in the shot put. Hurdler Cunningham again suffered a bad break in hitting the last two hurdles and failed to finish.

TRIANGULAR MEET IN AUSTIN

Led by the great performance of Captain Ralph Alspaugh and hurdler Ray Cunningham, the Longhorns dominated a triangular meet with Texas A&M and Rice on May 4. In winning twelve of sixteen events, the 'Horns piled up 91½ points to 36½ for the Aggies and 28½ for the Owls.

Alspaugh won the 100 and 220-yard dashes with times of 9.5 and 20.4 and ran the anchor leg of the 440-relay to set up a first place in that event. Cunningham won the high hurdles in a time of 13.8 seconds, which ties the Southwest Conference record, and a 22.7 in the low hurdles gave him his second medal. Cunningham also ran on the sprint relay team.

Texas' other winners were Jim Smith in the javelin; Jim Allison in the shot put; Baylus Bennett in the pole vault; Bobby Wyatt in the broad jump; John Eschle in the 2-mile run, and Charles Giesey and Jerry Bain who tied in the high jump. Among the other Texas pointmakers were Steve Strickland, fourth in the mile run and third in the 880; Wayne Porter, fourth in the 440-yard dash; Herbert Jones, third in the 100-yard dash and fourth in the broad jump; Rex Wilson, third in the javelin; Giesey, fourth in the javelin and third in the discus; Jack Sides, fourth in the 100 and third in the 220; and Paul Levering, fourth in the two mile run and Eschle second in the mile run.

SOUTHWEST CONFERENCE MEET

On May 12 and 13 Coach Clyde Littlefield's Longhorns proved that only one meet makes the champion as they regained the Southwest Conference title from Baylor. The 'Horns returned the trophy to Coach Littlefield for the twenty-fifth time as Ralph Alspaugh removed any doubt about his ability in fighting off Baylor's Bill Kemp in the dashes and Ray Cunningham proved to be fully recovered from hindering leg injuries. Alspaugh ran a sensational 9.2 seconds in the 100 and 20 flat in the 220 but neither was allowed as a record due to the aiding wind. Alspaugh also ran a blazing 46.7 anchor lap on the mile relay to beat out Baylor for third place in the event and to cinch the Southwest Conference Trophy. Cunningham was also a double winner as he posted a record 13.7 in the high hurdles and a 22.5 in the lows, though both were wind aided.

On May 12-13 the freshmen again won the Southwest Conference Championship with a total of 91 points. Bob Sewell won first in the high and low hurdles and fifth in the pole vault and Jim Cooper was second in the high hurdles, third in the lows, and second in the high jump. Loy Gunter won the mile relay, Johnny Cram won the 220 and was second in the 100-yard dash. Charles Jordan was second in the shot put and third in the javelin, while Robert Young finished second in the discus. Steve Guynes was first in the pole vault and third in the broad jump.

At the Texas Relays, held April 7 and 8, the Texas freshmen did considerably better in their efforts than their varsity counterparts by setting a new record in the two-mile relay. The team of Charles Rodgers, Tom Welsh, Loy Gunter, and Larry Rhodes had a time of 7:46.5 which clipped nine seconds off the old standard. Guynes tied for first in the pole vault and Sewell and Cooper finished first and second in the high hurdles. Young finished second in the shot put and the 440 and sprint medley relay team were third, while the mile relay team finished fourth. Texas A&M freshmen won the meet by winning the 100 and 440-yard dashes, the 440 and mile relays and the shot put.

The freshmen took first place at the International Invitational Track and Field Meet at Mexico City by compiling a total of 115 points. Guynes was first in the pole vault with a 14 foot 4 inch effort. Cram won the 100 meter dash in 10.7 and also anchored the 400-meter relay team to a 42.5 first place. Jordan was first in the javelin and Cooper won the 400-meter hurdles. The distance medley relay team was second.

Front Row: Dumesnil, Guynes, Dow, Stowers, Rhodes, Newbury, John Lee Danner, Roark, Dalton.
Second Row: John Dennis Roberts, Trainer, Cadenhead, Sewell, Welsh, Gunter, Cooper, Underwood, Neckar, Cram, Dunlap.
Third Row: Lovvorn, Rodgers, Roberts, Jordan, Young, David Terry Rowntree, Bill Ray Blackburn, Aguirre, Coach Clyde Littlefield.

1961 BASEBALL

After a very hectic finish the Longhorns emerged as Southwest Conference Champions and winner of the District 6 title, defeating Arizona 8-2 and 5-4. However, Texas had a dismal time at the NCAA Collegiate tournament in Omaha, Nebraska, losing the first game to Southern California, 6-8, and the second game to Western Michigan, 8-2.

The 'Horns started the season strong winning 16 and tying one with A&M before losing to BAMC, 8-12, and later losing to TCU, 8-9, and A&M, 13-6 in regular scheduled games. These conference losses forced the Longhorns to play two games with Baylor that had been rained out earlier since Texas had lost two games and Baylor four. Baylor won the first game and the second game was called at the end of the 10th inning, tied 9-9, because of darkness. The tied game could not be played over as Baylor started finals the following day and Southwest Conference rules state that the season ends when either school starts finals. Texas ended the Conference season with 11 wins, three losses, and two ties and runner-up Baylor had 10 victories, four losses and one tie.

1961 BASEBALL CHAMPIONS

TEXAS 5-SAM HOUSTON STATE 3

Coach Bibb Falk's Longhorns started the baseball season off on the right foot as they defeated the Sam Houston State Bearkats 5-3 in Clark Field on March 6. The first Bearkat hitter put one out of the park. The game was tied up in seventh inning but the Horns came back in the bottom of the eighth to score the two winning runs. One run was on a homer by Gordon Ginn. Sophomore Ken Grenewald picked up his first varsity decision as he relieved Tom Belcher in the sixth inning.

TEXAS 6-SAM HOUSTON STATE 5

On the following day the two teams met again and the Bearkats scored five runs in the first two innings. However, the Longhorns fought back to win the game 6-5 in ten innings. Sam Rosson, Longhorn leftfielder, put one on top of the cliff in center field tying the score. Bill Bethea scored the winning run on Dave Skinner's single in the bottom of the tenth. David Burleson hurled four and one-third innings of scoreless ball after going to the mound in the sixth inning.

TEXAS 11-OKLAHOMA 0

The Steers won the first of a two-game series with Oklahoma on March 10 in Clark Field. Longhorn batters slaughtered the Sooners, 11-0, on ten hits. Terry Jackson and Tom Belcher divided the pitching chores as they held Oklahoma to two hits. Jackson received credit for the win.

TEXAS 3-OKLAHOMA 0

The 'Horns again shut out the Sooners in the game on the following day. Bobby Callaway gave the Sooners three singles, three walks and fanned seven men. Chuck Knutson was the big gun in the 3-2 victory with his two-run homer in the eighth inning.

TEXAS 7-TEXAS LUTHERAN 2

The Longhorns picked up their fifth straight win by defeating the Texas Lutheran Bulldogs 7-2 at Clark Field on March 14. In addition to giving up only four hits to the Bulldogs, pitcher David Burleson batted in two runs. The Steers collected six hits.

TEXAS 6-TEXAS A&M 6

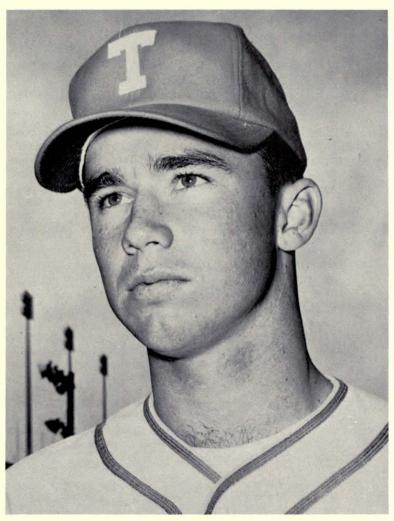

In a three-hour and twenty-eight minute contest that had to be called because of darkness the Steers and the Aggies fought to a 6-6 tie at Clark Field March 17. The Aggies scored two runs in the first and a single in the third to take the lead for six innings. The 'Horns came back in the seventh scoring four runs on one Aggie error, three walks and some well-placed singles. The Aggies evened the score in the eighth with a home run. The game was called after ten innings.

Front Row: Sam Rosson, Bill Bethea, Pat Rigby, Art Adams, Tom Belcher, Dave Skinner, Gordon Ginn, Terry Jackson.

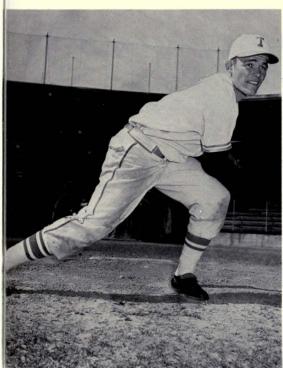

Second Row: Coach Bibb Falk, Chuck Knutson, Bob Callaway, Lew Brazelton, Phil Hipps, John Pinckney, Justin Wakeland, Buddy New, Jerry London.

On March 20 at Clark Field the Texas Longhorns swamped the Minnesota Gophers, defending NCAA baseball champions, 19-7. The 'Horns picked up 19 runs on 15 hits and 13 walks. Phil Hipps and Lew Brazelton each hit home runs. Dave Burleson picked up his third victory and Dave Skinner sent in four runs. The 'Horns made ten runs in the bottom of the eighth.

TEXAS 14-MINNESOTA 9

The following day Texas handed Minnesota another defeat scoring 14 runs on 15 hits. Minnesota managed to score 9 runs on 11 hits. Eight of the 11 'Horns who went to the plate got at least one hit. Catcher John Pinckney scored six runs on two hits. Terry Jackson was the winning pitcher.

TEXAS 26-BAYLOR 7

At Clark Field on March 27 the Texas Longhorns continued their winning ways as they bombed the Baylor Bears for 17 hits and 19 walks in a 26-7 victory. Lew Brazelton and Sam Rosson each had four hits. Chuck Knutson hit the Steers' only round-tripper of the game. Tom Belcher was the winning pitcher.

TEXAS 7-SMU 6

Longhorn first baseman, Buddy New, rolled a single between second and first in the bottom of the ninth to give the Longhorns a comeback 7-6 victory over the Ponies at Clark Field March 28. Lew Brazelton hit the only home run of the game. Dave Burleson won his fourth victory.

TEXAS 5-FORT HOOD 2

Tom Belcher went all the way as the Longhorns defeated the Fort Hood Tankers 5-2 March 30 at Clark Field. Each team scored two runs in the fourth inning but the 'Horns came back in the seventh to score three runs and take the game. Bill Bethea got two hits, one a single, and Pat Rigby hit the only home run of the game.

TEXAS 15-TCU 13

The Texas Longhorns drove across two runs in the top of the tenth inning to defeat the TCU Horned Frogs 15-13 in Fort Worth on April 4. Eight home runs were hit in the game. Dave Skinner, Lew Brazelton, and Chuck Knutson homered for the 'Horns. Leon Baze of TCU hit three over the fence. Bob Callaway, the fifth Longhorn pitcher of the day, was credited with the win.

TEXAS 11-BAMC 4

The Longhorns scored 11 runs on 11 hits as they handed the Brooke Army Medical Center an 11-4 loss April 10 at Clark Field. Chuck Knutson was the leading hitter for the 'Horns with three hits out of five times at bat. Bobby Callaway pitched six innings to receive credit for the game.

TEXAS 15-SMU 4

Callaway helped himself to his fourth straight victory getting three hits, one a two-run homer, as the Longhorns scored a 15-4 victory over the SMU Mustangs in Dallas on April 14. Phil Hipps and Chuck Knutson gave helping hands by hitting round-trippers themselves. The 'Horns collected 14 hits.

TEXAS 15-SMU 11

The Mustangs took an early lead the following day but the 'Horns came from behind to win 15-11. Of the Mustangs' 11 runs only three were earned, the others resulted from eight Longhorn errors. Texas profited from the 17 walks given by SMU pitchers. Terry Jackson was the winning pitcher.

sulted from Terry JackIn the game played Friday, April 21, in Houston as a make-up for a game rained out on April 8, Bobby Callaway went all the way for the 'Horns in their 12-6 victory over the Rice Owls. He allowed nine hits. The Longhorns had 14 hits and five bases on balls. Phil Hipps got four hits including two doubles and a triple.

TEXAS 8—RICE 0 TEXAS 11—RICE 6

Tom Belcher pitched a one-hitter shut-out against Rice the following day to take the first game of a double header 8-0. Texas won its seventeenth straight victory as Belcher retired 13 Rice batters in a row. Terry Jackson received credit for the second game, allowing five runs and seven hits in five innings. Hipps hit the only home run of the game as the 'Horns picked up 10 hits in their 11-6 victory.

TEXAS 8-BAMC 12

Brooke Army Medical Center handed the Longhorns their first defeat of the season, 8-12, in San Antonio on April 25. The game was tied twice. Pat Rigby was the leading hitter for the 'Horns with three hits out of five trips to the plate. Bobby Callaway was the losing pitcher.

TEXAS 8-TCU 9

The TCU Horned Frogs defeated the 'Horns 9-8 at Clark Field on May 4. It was the Longhorn's first Southwest Conference loss. Texas scored eight runs in the first five innings but the Horned Frogs' home run in the ninth inning put TCU ahead. David Burleson was the losing pitcher. He relieved Tom Belcher in the eighth giving up three runs on three hits in two innings.

TEXAS 5-TCU 3

The following day the Longhorns returned to the win column by defeating the TCU Horned Frogs 5-3. Bobby Callaway was the winning pitcher. David Skinner got four of the 13 hits collected by the Longhorns. Chuck Knutson slammed his seventh homer of the season.

TEXAS 17-A&M 3

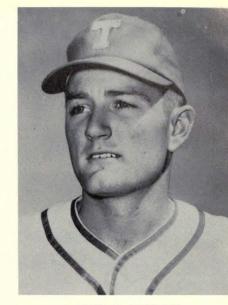

In a replay of the earlier 6-6 tie Texas stomped the Aggies 17-3 on May 9 at Clark Field. Tom Belcher was the winning pitcher. The 'Horns scored four home runs with Rigby hitting two and Gary London and Buddy New each scoring one.

TEXAS 6-A&M 13

In spite of a grand slam home run by Chuck Knutson in the first inning, the Longhorns dropped the game to the Aggies 13-6 May 12 in College Station. Bobby Callaway was tagged with the loss. This loss put Baylor back in the running and forced the Longhorns to make up the two games with Baylor that had been rained out.

TEXAS 15-A&M 4

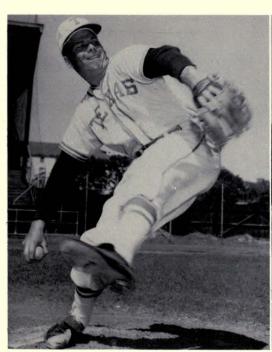

In a great comeback the following day the 'Horns cinched a tie for the Southwest Conference Championship by handing the Aggies a 15-4 defeat. Tom Belcher went the nine innings for his fifth Conference win without a loss. Longhorns Gary London, Phil Hipps, Dave Skinner and Chuck Knutson each hit the ball out of the park.

The Bears gave the Longhorns a setback in their efforts to win undisputed possession of the Southwest Conference championship by defeating them 3-2 in Waco May 17, in the first game of a double header. Bobby Callaway was the losing pitcher, going all nine innings and giving up three runs on eight hits. Phil Hipps got the only homer in the game. The 'Horns led 2-1 going into the last of the ninth.

Darkness helped to decide the Championship as the second game between the Longhorns and the Bears had to be called after the tenth inning with the score tied 9-9. This game does not count in the official standings and Texas was awarded the championship with one game over Baylor. Southwest Conference rules do not permit games to be played after either school starts finals and Baylor started finals the next day. Chuck Knutson slammed his tenth homer of the season to tie the game at 9-9 in the sixth inning. Texas had earned the right to meet Arizona in the NCAA District 6 play-off.

DISTRICT 6 PLAYOFF

TEXAS 8-ARIZONA 2

Texas took the first game of the NCAA District 6 play-off, at Clark Field June 5, defeating Arizona 8-2, with pitcher Bobby Callaway hammering out three straight hits—two of them doubles—to send in two runs. Terry Jackson relieved Callaway in the eighth. The game was played at Clark Field June 5.

TEXAS 5-ARIZONA 4

The Longhorns were "on their way" to Omaha and the national tournament the following day when they again defeated Arizona. Phil Hipp accounted for all of the Texas' runs with his two homers that brought about the 5-4 victory. Tom Belcher was the winning pitcher.

TEXAS 6-SOUTHERN CAL 8

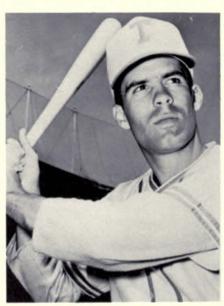

The Longhorns bowed to Southern California in their first game of the 1961 College World Series in Omaha, Nebraska, on June 10, 8-6. Southern Cal built up an 8-3 lead and then held off surges in the eighth and ninth innings by the 'Horns. Bobby Callaway was the losing pitcher.

TEXAS 2-WESTERN MICHIGAN 8

Texas was eliminated from the tournament the following day by Western Michigan, 8-2. The only bright spot in the game was a 355-foot home run shot over the left field wall in the third by Longhorn catcher Garry London. Tom Belcher, the losing pitcher, suffered his first defeat of the season after six wins.

The Texas Yearlings, under the leadership of Roy Enderlin, pitcher on the 1960 Longhorn team, won eight games and lost four during the 1961 season. Just as in the past years the most troublesome teams proved to be the Baylor Cubs and the A&M Fish. The Yearlings lost both games to the Cubs and split with the Fish.

SOUTHWEST CONFERENCE CHAMPIONS

The Longhorns of Coach Froggie Lovvorn were first only once, but it was that all important once that made them Southwest Conference Champions. After previously bowing to Texas A&M two meets in a row, the Texas cross country runners rallied to defeat their traditional rivals in Austin by a score of 39-50 for the Southwest Conference trophy. Arkansas tied with the Aggies for second place while Texas Tech was third with 78 points. Jack Nelson of Arkansas and John Eschle of Texas were repeaters from the 1959 meet, moving from second to first and fourth to third respectively, from last year's individual standings.

Texas opened the season on October 8, in Stillwater, Oklahoma, with a second place to Oklahoma State and ahead of Kansas State and Wichita. On October 14, the 'Horns suffered the first of their defeats to the Aggies, 26-31, in College Station. The following week at the 6th Annual University of Texas Invitational Cross Country Meet, the 'Horns finished fourth behind A&M's third place with the University of Houston taking first place and Howard Payne taking second.

On November 5, the Texas distance men finished second in the AAU Meet in Houston. The University of Houston Track Club, fielding two strong teams, took first and third places.

Following their championship win on November 14, the Longhorns went to the NCAA meet in East Lansing, Michigan, where they finished twelfth in the United States.

1961 GOLF

The University of Texas linkmen ended Southwest Conference play in sixth place with Terry Dill taking the second position in individual ranking. After losing its opener to Rice 31/2 to 21/2, the Longhorn golfers tied Baylor 3-3. In a spectacular victory of 6-0 over TCU in Austin, Terry Dill whipped Horned Frog, Jack Montgomery, 3 and 1, as Stuart Chancellor, Charles Birdwell, and Bob Hankins grabbed wins from their TCU opponents. Texas Tech took advantage of the home course to defeat the UT team 41/2 to 11/2, with Dill breaking through for a victory over Tech ace, Chris Blocker. Meeting next with SMU in Austin, Texas could do no better than a 3-3 tie. At this point, the Longhorns were in fourth place with a 16-14 mark.

Arkansas then took Texas for a $4\frac{1}{2}$ to $1\frac{1}{2}$ loss as the putters went dead for three of four Longhorns. Terry Dill was the only 'Horn golfer to display consistent putting throughout the match, as he defeated his opponent 3-2. The Texas Aggies, defending Southwest Conference champions, downed Texas $5\frac{1}{2}$ to $\frac{1}{2}$ to moved closer to the 1961 title, which they again captured. In final Conference play at Houston, Terry Dill finished only four strokes behind Tech's Blocker to place second with a 69-74-77-73-293 standing.

In the opening meet at Texas Tech on January 31, the Texas swimming team took 10 out of 11 first places to defeat Texas Tech 70-25. Texas' Doug Duwe was high point man with $9\frac{3}{4}$ points. Texas' 400-yard freestyle relay team set a new pool record of 3:38.0.

At the Air Force Academy, the Longhorns were led by record setting Jerry Katz. Again the victors, Texas defeated the Air Force by a score of 57-38. Katz set a new record of 23 seconds flat in the 50-yard freestyle and one of 52.3 seconds in the 100-yard freestyle.

At the third dual meet at Oklahoma University, the fine showing made by Texas individuals was not enough to overcome Oklahoma's fine relay team, as OU won the meet by a score of 57-38. Outstanding winners for Texas were George Beavers, who took the 3-meter diving with 210.4 points; Jeff Heller, winner of the 440-yard freestyle; and George Smith in the 50-yard freestyle.

In a dual meet with Texas A&M at Austin, Texas got back into the winners' circle and set 3 new records in the process. Doug Duwe swam the 100-yard free-style in 50.5 for a new record in that event; Charlie Lucas won the 220-yard backstroke in a record 2:08.1; and Richard Worthington set a new mark in the 200-yard breaststroke in 2:28.6. The team totals were 551/2 for Texas and 391/2 for the Aggies.

On February 26, the Southwestern AAU Meet was held in Dallas. Texas failed to pick up a first place as the Mustangs of SMU took almost every event to become regional AAU champions. The best the Longhorns could show was Beavers' second place in the 3-meter diving. Earl Beaty was third in both the one-meter and 3-meter diving events, while Duwe was third in the 220-yard freestyle.

At Austin in a dual meet with SMU, Texas set three new records and tied another but SMU still managed to win enough events to take the meet by a score of 49-46. Duwe tied the record of 22.7 in the 50-yard freestyle and set a new one in the 100-yard freestyle of 49.1. The Longhorns' other records came when Worthington won the 200-yard breaststroke in 2:27.3, and the 400-yard medley relay team was first in 3:51.0.

SOUTHWEST CONFERENCE CHAMPIONS

The Texas Longhorn netmen compiled an outstanding 33-3 record to take the Southwest Conference title away from favored Rice and defending champion SMU. Mac White and Neil Unterseher led Coach Wilmer Allison's slamming 'Horns to their first title since Texas' monopoly of titles prior to 1958.

TEXAS 5-RICE 1

The Longhorns dropped the slightly favored Owls at Houston 5-1 in their Southwest Conference debut Saturday, April 15. Taking three of four singles matches and both doubles, the 'Horns showed improvement over their earlier 5-3 non-Conference record. Mac White defeated the Conference singles champion, Ronnie Fisher, 6-3, 6-3, as Neil Unterseher and John Heath won their singles matches. Jack Kamrath dropped a close decision, but White-Unterseher, Kamrath-Heath took their doubles combinations.

TEXAS 6-TEXAS A&M 0

At Penick Courts, Monday, April 17, the 'Horns smashed the Aggies 6-0 losing only one set all afternoon. Neil Unterseher defeated the number one singles man for A&M, Richard Halter, 1-6, 6-2, 6-4. Mac White swamped the number two man, Jerry Foster, 6-2, 6-1. Jack Kamrath swatted out a 6-4, 6-2 win, and senior Stanley Ament breezed to a 6-1, 6-2 triumph. Kamrath and John Heath won 6-2, 6-3, and White and Ament, with 6-1, 6-3, rounded out the clean sweep by the 'Horns.

TEXAS 6-TEXAS TECH 0

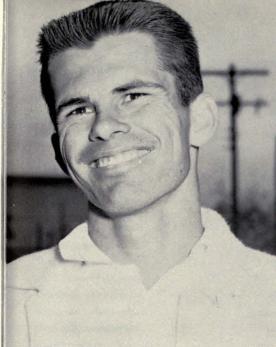

Texas blasted the Red Raiders 6-0 at Penick Courts Saturday, April 22, for the second straight sweep with only a one set loss all afternoon. This victory gave the 'Horns a 17-1 Conference record and a lead they never relinquished in their race for the SWC crown. Mac White, the classy junior from Corpus Christi, took over top position for Coach Allison and flashed by Tech's Daryl Allison 6-4, 6-2. Neil Unterseher had no trouble taking 6-3, 6-1 sets, and Jack Kamrath and John Heath each took close matches, 6-3, 10-8 and 6-1, 7-5, respectively. White-Unterseher won 4-6, 6-2, 6-3 and Kamrath-Heath won 9-7, 6-4 to sweep the match.

TEXAS 5-SMU 1

Texas whipped SMU Friday, April 29, with a 5-1 victory over the defending SWC champions. Neil Unterseher suffered the only UT setback as he lost to Tom Harwerth 7-5 and 6-4. Mac White defeated SMU's top man, Billy Wolf, 4-6, 8-6, 6-4. Jack Kamrath triumphed 6-1, 6-4, and John Heath won 5-7, 6-3, 6-4. In the doubles matches the Longhorn White-Unterseher combination gained a hard fought 3-6, 9-7, 6-4 victory as Kamrath-Heath won handily 6-1, 6-2.

TEXAS 5-TCU 1

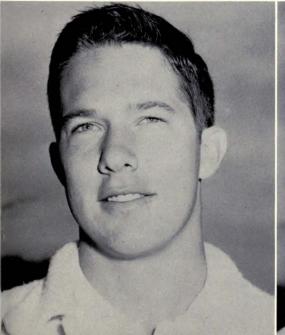

Texas crept closer to the team championship of the Southwest Conference as the 'Horns upped their Conference record of 27-3 with a 5-1 decision over TCU. Neil Unterseher topped Paul Lozuk 6-2, 6-2; Mac White stopped Earl Van Zandt 6-2, 6-4; and Jack Kamrath and John Heath both took 6-0, 6-3 wins. Van Zandt-Christian doubles team gained the Horned Frogs only victory as they defeated Kamrath-Heath 6-2, 8-6. White-Ament took the final doubles match for UT 6-3, 6-1.

TEXAS 6-BAYLOR 0

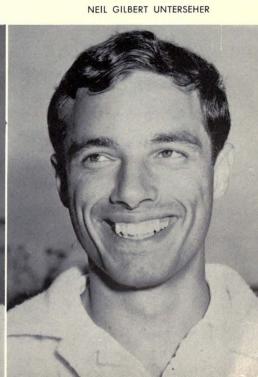

The tower beamed in all its orange glory after the Longhorns swept to their first SWC tennis championship in three years with a 6-0 triumph over Baylor, Thursday, May 4. Mac White, number one netman for Coach Wilmer Allison, eased by Baylor's Jim Robinson 6-1, 6-3, and number two man, Neil Unterseher, took 6-3, 6-1 sets over Don Mordecai. Jack Kamrath powered to 6-2, 6-2 victories and John Heath fought for 10-8, 6-2 wins. White-Unterseher combined to win 6-2, 6-3 and Heath and Stanley Ament came through with a 6-4, 4-6, 9-7 victory to climax a very successful season.

CAP AND GOWN

Front Row: McKinley, Van Horn, Sweet. Second Row: Allen, Siptak, Shields, Stotts. Third Row: Cox, Schlosberg, Reusch, Johnson, Greer, Huffington.

CAP AND GOWN, the organization for senior women, each year climaxes its annual activities of meetings with the beautiful and traditional Swing Out ceremony. In this service the senior women pass the bluebonnet chain to the junior women and thus symbolize the delegation of responsibility and honor to the future senior women of The University of Texas.

COLONEL HERBERT E. BROWN Professor of Military Science

DEPARTMENT OF MILITARY SCIENCE

The Department of Military Science, established in July, 1947, has trained many thousands of students in Military Science and has produced over 1330 commissioned officers for the United States Army. The University of Texas Army ROTC program has the mission of providing college trained officers for both Regular Army and the Army reserve; officers trained today who may be called to lead tomorrow in the event of a national emergency.

A wise and prudent man shuns war but knows that armed conflict may come from any type of international incident. This same thoughtful man prepares himself to meet the challenges of our modern day living, become a better citizen and face this kind of emergency through the ROTC "on-campus" part of his college education. Army ROTC gives a student a broad understanding of the functioning and problems of our national government, a knowledge of our nation's defenses, and upon graduation the Military Science graduate is better equipped to step forth into the world and take his rightful place among the leaders of his community.

DEPARTMENT OF NAVAL SCIENCE

COLONEL WILLIAM A. KENGLA Professor of Naval Science

COMMANDER DALE CALVIN REED Professor of Naval Science

The University of Texas is one of 53 Universities having Naval ROTC Units on campus. Since September, 1940, thousands of students have received commissions as Ensigns, United States Navy, or Second Lieutenants, United States Marine Corps.

The NROTC Unit is composed of two types of students. Regular Midshipmen are selected on the basis of nationwide competitive examination and interview for entry into the Regular program—which is designed primarily to procure career type officers for the Navy and Marine Corps. Contract Midshipmen are selected by the Professor of Naval Science at the University on a basis of local examination and interview for entry into the contract program—which is designed primarily to procure Reserve type officers for the Naval Marine Corps Reserve.

Midshipmen receive valuable training during the summer months when they embark on cruises of 6-8 weeks duration. Textbook knowledge is supplemented with practical seamanship and knowledge gained on Naval Air Stations, Marine Corps Bases, Destroyers, Submarines, Carriers, and Cruisers located from San Diego, California, to Sasebo, Japan.

Professor of Air Science

DEPARTMENT OF AIR SCIENCE

AIR F

The Air Force Reserve Officers' Training Corps program was established at The University of Texas in July, 1947. This program, offered by the Department of Air Science, is designed to select and prepare University students to serve their country as Commissioned Officers in the Air Force. Air Science cadets are given excellent training in leadership and Air Science. Attendance at a Summer Training Unit enables them to experience living and learning on an Air Force base. When called to active duty, AFROTC graduates become pilots, navigators, or technicians in their specialized field of study.

The Opportunity Frontier OF TEXAS

There's opportunity for you in the Opportunity Frontier of Texas. The steady growth of this area—in population, in industry, in commercial activity—opens up new job possibilities, new business opportunities, new fields in which to grow with a growing area. One goal of Texas Electric Service Company, which serves much of the Opportunity Frontier, is to help promote the continued growth of the area, while providing plenty of dependable, low-cost electric power for continued progress.

A TOTAL OF 111 YEARS

Service to the students of

The University of Texas

The University Co-Op began serving students 65 years ago and The Toggery began 46 years ago. The Toggery is located in the Co-Op and is the finest men's clothing store on the Drag—setting the style and trend for UT men.

From paper clips and brief cases to pocket combs and hair curlers, the Co-Op has it. Even after students graduate from the University many things are ordered thru mail by ex-students. We welcome your orders and assure prompt service on orders received.

HOW MUCH WEIGHT?

Weight recommendations are constantly changing, as bits and drilling techniques are improved. Ten years ago we were recommending weights of 3,000 to 5,000 pounds per inch of bit diameter on a W7R. The suggested weights, today, on our greatly improved W7R, range from 4,000 to 7,000 pounds.

Looking to the future and future weight recommendations, we are experimenting with extreme weights. In a series of research laboratory tests, drilling with a 7%-inch W7R in granite, we applied weights up to 112,000 pounds—equivalent to 14,000 pounds per inch of bit diameter.

Frankly, we thought the teeth would snap off. But that didn't happen. Instead, drilling rate and footage increased materially, compared with the performance of the bit with a weight of 70,000 pounds.

This, of course, is controlled laboratory drilling... not recommended in actual practice. But the results point to interesting possibilities, in view of our new advanced research program which anticipates increased drilling weights in the future.
