

SOCIETY OF ANTIQUARIES OF LONDON,
BURLINGTON HOUSE, PICCADILLY, W. I.

4th November, 1954.

Dear Mr. Brice,

Scripta Minoa III

Your letter and proposed scheme of revision of Scripta Minoa III were placed before the Executive Committee yesterday. They approved the order of work proposed by you and would like to appoint you formally as Editor, with a honorarium of £100. They very much appreciate what you have done to help both in Sir John Myres's lifetime and since, and they wish me to express their warm appreciation of your willingness to assume the further editorial work. They hoped very much that it would be possible to complete the task by December 1955.

I may say that they also instructed me to write to Professor Bennett expressing our appreciation of the very great help that he has given us in the matter.

When you reply, will you let me know what you would like me to send you. I have, you remember, both your marked proofs and those of Professor Bennett. I take it you would like to have both these to work upon.

Yours sincerely,

Thrupp Cordes
