Dear Mr. Brice,

I hope that you have received my letter of the 1st inst., in which I expressed my gratitude for your kindness in helping me to identify a number of Linear A inscriptions and in sending me an off-print of your article in MAN.

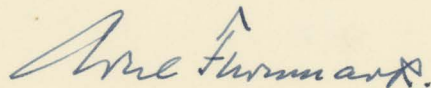

I am sorry that I have to bother you again with a new demand. I have just received a letter from Dr. Platon, in which he writes as follows:

"Τά σχετικά μέ τήν τράπεζαν προσφορών πού ζητάτε απέστειλα εἰς τόν κ. Brice μέ ἀκριβέστατον σχέδιον τοῦ ζωγράφου Φανουράκι, ἐλεγχθέν μέ σχολαστική φροντίδα ἀπό ἐμέ. Πάρα-καλέσατε λοιπόν τόν κ. Brice γά σάς στείλῃ φωτογραφίαν τῶν σχεδίων."

I must therefore ask you if you will be so very kind as to send me ~~a~~ photos of the drawings to which Dr. Platon refers. I think that this would be easier than having ~~a~~ new ones made on my behalf, and I hope that you will have no objection to this arrangement. I am, of course, prepared to pay the costs for the photos.

Hoping that you will kindly excuse the trouble which I am causing you, I remain, with best wishes,

Yours very sincerely,

Arne Furumark
