Dear Mr. Brice,

Thank you for your letter. I am ordering a photograph of the fragment for you. Our Register simply says that it is from the Dictaeon Cave and that it was bought by Sir Arthur Evans at Knossos in 1923. You may ofcourse publish it.

It would not take very long to look through the material here for any other unpublished pieces, - less than a morning I should say. If you could let me know when you are coming I could arrange to keep that morning free.

Yours sincerely,

John Boardman
