

BRANDEIS UNIVERSITY  
WALTHAM 54, MASSACHUSETTS

27 May, 1958

Dear Bennett,

I was particularly glad to hear from Sterling Dow that you have been appointed to the Univ. of Texas, and that your temporary troubles have thus been solved. I should like to congratulate you, and I now trust you will come to the London Congress. Your name will be among those to be mentioned to the American Council of Learned Societies which will give the necessary travelling grants.

With best wishes,

Yours sincerely,

Wm Ehrenberg
