BONNE CHANCE MON COLONEL!!!

Si ! Les Français persistent encore à conseiller le Président HABYARIMANA. Il l'a déclaré vendredi le 21/2/92 sur RFI, Monsieur Géorges MARTRES, ambassadeur de FRANCE au RWANDA. A l'entendre parler, on a eu l'impression qu'il voulait nous faire croire qu'on peut être conseiller d''un Président qui a gouverné tout un peuple avec une main de fer pendant 20 ans, sous un système de parti unique, sans s'injérer des affaires intérieures dans un pays comme le Rwanda où le multipartisme commence à gagner la sympathie des gens qui hier, rangés derrières un père de la nation, aujourd'hui se rallient avec fièrté à d'autres Leaders politiques.

Nous n'y croyons pas. Seulement pour nous, il est question de se demander si les français connaissent très bien la personne de HABYARIMANA. Est-ce qu'ils savent au moins que son parti, le MRND qu'il a placé depuis 17 ans sous le contrôle des grands dignitaires de sa famille et de leurs favoris contrôlent encore malhonnètement toute la machine administrative du pays et lui accordent encore la potentialité de cumuler tous les pouvoirs du pays, y compris le spectre militaire sous ses ordres depuis plùs d'un quart de siècle ? Pourtant il en est ainsi, ce qui explique toute la misère du peuple rwandais.

Devant la situation Socio-économique tellement minable que connaît le fameux pays des Milles Collines, aujourd'hui s 'ajoutent les représailles politiques qui s'amplifient davantage à chaque durcissement de ton de l'opposition. Puisque un expert conseiller doit remplir son devoir, nous avons tendance à croire que Monsieur CHOLLET va également s'occuper du fameux "Escadron de la mort" alias "Interahamwe za MRND", une faction clandéstinement armée par le MRND qui comprend hommes, femmes, garçons, filles et militaires recrutés par les nantis du Régime HABYA-RIMANA.

S'il en est ainsi alors, que proposera la France aux partis d'opposition si les répréssions et les assassinats organisés par ces bandits obligent celle-ci à opposer une riposte vurulente. En tout cas pas de croiser les mains. Mais que faire ? La voix du plus faible est toujours la plus fautive. La France pouvant leur réserver des surprises, les tenors de l'opposition feraient mieux d'abandonner tout optimisme exagéré, et de s'attendre à autre chose plus tôt qu'à un joli cadeau combien précieux pour eux et le peuple rwandais que serait la "Conférence Nationale Souveraine" qui laisserait sans doute le moteur des Tenants du pouvoir actuel en panne.

BARAVUZE BIRATINDA:

Uhagarariye MDR i BUTARE ati:twiririmbire indirimbo yubahiriza igihugu burya ni n'igihango cy'abakurambere ba MDR.
Dr. SIJYENIYO Charles yasabye ba "nta shyaka turimo" b'i BUTARE na ba "tuzajya murizatsinda" kwiyumvisha ko ibyo bitabereye umuntu ujijutse, cyane cyane w'i BUTARE cyangwa uhatuye. Kimwe n'abamukurikiye mu kuvuga, bamaganye RUGIRA umaze iminsi akurura umwiryane ushingiye ku moko i BUTARE, kandi yari "ntangarugero".

Yagize ati AMANDINI nareke kutwanduriza umugi BUTARE si KIBIRIRA?
