Dear Dr. Stenzel:

Plans are progressing on the arrangements for your speaking engagement with the Corpus Christi Geological Society Friday evening, February ~~X~~. I will welcome receiving a photograph of you and any pertinent information on your background which I cannot obtain from the "American Men of Science" for the local newspaper.

If you will inform me of your arrival and departure dates, I will gladly make reservations for you. Also, please advise me of the equipment needed for your illustrations.

I am looking forward to seeing you again and hearing more of your comments on the Wilcox.

Sincerely,

*P. F. Oetking*
